The Bonyan Foundation, 1203486.

Trustees: Lorna Rowsell, Wayne Rowsell, Emily Otley and Sara Beattie.

The trustees were recruited at the initial phase of starting the charity and have remained consistent. There have been no changes or additional recruitments made. The charity is managed by Lorna Rowsell and the finances are managed by Lorna Rowsell and Wayne Rowsell.

The objectives for this financial year were to begin collecting donations and establish the name of the charity in the communities we will be working. As a small charity, we wanted to gain an understanding of the level of support that we would receive.

We raised 760 pounds in the financial year ending 31st March 2025 and spent 900 pounds on sponsorship. The balance carried over from the previous financial year was 1690.97. The money was raised through donations of family and friends and were paid into the charity bank account directly.
