Charitable objects

The prevention or relief of poverty in the UK and Uganda by providing Grants, items & services to individuals in need and or charities or other organisations working to prevent or relieve poverty.

Significant activities

The charity has sourced and provided funding to facilitate the following projects and activities in Uganda.

Provision of buildings furniture & equipment for:

As one of our child-focused services, we also used the fund to support malnourished children in Lumule.

Public benefit

The schools & activities & the provision of food are expected to provide a positive benefit to the local area, whilst providing the youngsters with a positive outlook & skills & trades to assist them to contribute to the local economy & community as they progress lifting them out of the circle of problems that has beset the area in recent years.

Social investments

Social investments in respect of the schools & activities should provide multiple benefits to pupils and the community ongoing.

Whilst funding is to be provided to the schools in initial years, investments are also being made in farming & livestock, with a view to the schools becoming self sufficient in terms of food in coming years.

The buildings financed are not owned by the charity, but have been provided to the schools by way of grant funding & the local school trustees/governors will ultimately be expected take on responsibility for the development, maintenance & operation of the schools during year five of operation.

Section 172(1) statement

Governance

The Lumule Foundation is governed by a board of trustees. We focus on the principles of good governance and work hard to regularly review and develop strategies for working effectively as a management committee.

Each new Trustee is offered an induction programme that emphasizes their personal and collective responsibility to the mission and objectives of the charity. Ever mindful that Trustees with appropriate business skills and knowledge of the voluntary sector are scarce, we continue to identify gaps in skills and competencies reviewing board training and recruiting new members.

Future plans

Commencing in May 2024, additional donations have been collected in Ireland, with the assistance of the Kyne Foundation, utilising the 'I Donate' fund raising platform.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

11. CONTINGENT LIABILITIES

An amount of £12,750 is included as income in these accounts representing the Gift aid recoverable on the director's personal donation of £51,000.

Recovery of this amount is dependant upon the charity obtaining registration with the HMRC charity unit in order to be able to make a Gift aid claim thereon.

A number of other UK donors have requested Gift aid forms to cover the donations made since the charity's registration with the Charity Commission. No gift aid claims on these other donors have been included in these accounts pending collection of the necessary Gift aid declaration forms from the individuals concerned, so the additional amount thereon potentially recoverable as Gift aid has yet to be quantified & remains a contingent asset at this time.

12. RELATED PARTY DISCLOSURES

Personal funds of £51,000 advanced by one of the directors Dennis Okwera to 31/5/2024 represented donations to the charity.

Gift aid is to be claimed on the net donation to the value of £12,750 & has been included in these accounts.
