- Saniye Ucku (Chair)
- Asiye Kucukbalaban (Trustee)
- Baris Can Ucku (Trustee)
- Hatice Kubat (Trustee)
- Barancan Ucku (Trustee)

2. Structure, Governance and Management

Angel Hair and Beauty Foundation is a Charitable Incorporated Organisation governed by its constitution. The trustees are collectively responsible for ensuring the charity meets its objectives and complies with all Charity Commission requirements.

The charity does not employ any paid staff. All activities are carried out by trustees and volunteers. The Board of Trustees met during the year to review the charity's progress, financial position and plans for the future.

The trustees are mindful of the need to develop stronger governance policies and procedures in the coming year, and plan to put in place formal documented policies covering safeguarding, financial controls, reserves, complaints and risk management.

3. Objectives and Public Benefit Statement

The charity's objects are:

- To advance vocational training in barbering, beauty, aesthetics and related skills for young people in need of training that enables them to begin their careers.
- To relieve the charitable needs of homeless people, those at risk of homelessness, and people living in poverty by providing free haircuts and beauty treatments.

The trustees confirm they have considered the Charity Commission's guidance on public benefit when planning and delivering activities during the year.

4. Activities and Achievements in the Year

During the year 1 April 2024 to 31 March 2025, the charity continued to build on the foundations established in its first year and significantly expanded its reach, supporting over 250 individuals across its programmes.

1. Financial Support for Learners

A portion of the charity's funds was directed towards subsidising the course fees of learners who would otherwise be unable to afford vocational training in hair, beauty or aesthetics. This directly supported young people in gaining the skills and qualifications needed to access employment opportunities and begin their careers.

2. Free Haircuts and Beauty Treatments

The charity continued to provide free haircuts and beauty treatments to individuals from low-income households, vulnerable groups and members of the wider community. These sessions were delivered by trained volunteers and trustees operating out of Estelworld Academy, offering a welcoming and professional environment to those who may otherwise have no access to such services.

3. Community Fundraising Event

A fundraising event was hosted during the year, which raised funds to support the charity's ongoing work and raised awareness of the charity's mission within the local community.

4. Community Engagement and Wellbeing

Beyond its core services, the charity continued to provide:

- Free model days offering practical training opportunities
- Informal signposting and advice to vulnerable individuals
- A safe, welcoming space for young people and adults in need of support
- Supported access to vocational training pathways

In total, the charity supported over 250 people during this financial year, representing a significant increase in reach and impact compared to the prior period.

5. Financial Review

The charity's financial position for the year ended 31 March 2025 is summarised below:

Income Category	Amount
Donations (Estelworld College, Saniye Ucku and friends)	£780
Total Income	£780
Course fee subsidies for learners	£250
Community fundraising event costs	£250
Total Expenditure	£500
Net Surplus for the Year	£280
Funds brought forward (from prior year)	£1,100
Funds carried forward	£1,380

All funds continue to be held as cash. The trustees are actively working towards opening an official charity bank account to improve financial controls, transparency and to support future grant applications. This remains a priority for the coming year.

The charity did not receive any government grants or contracts during the financial period. All income was received from private donations.

6. Reserves Policy

The charity aims to maintain a modest level of unrestricted reserves to ensure continuity of its charitable activities. Funds carried forward of £1,380 are held as cash and will be applied to future charitable activities in line with the charity's objects.

7. Plans for the Future

The trustees have identified the following priorities for the year ahead:

- Open a dedicated charity bank account to improve financial management and governance
- Develop and adopt formal governance policies, including safeguarding, financial controls, reserves and risk management

- Expand subsidised vocational training support for a greater number of disadvantaged learners
- Deliver pamper days and wellbeing sessions for care home residents, young people in need and vulnerable individuals
- Grow the charity's volunteer network and increase outreach to local organisations and community groups
- Seek grant funding to support larger community projects and increase the charity's overall impact
- Continue to develop the charity's online presence to increase awareness and attract further donations

8. Volunteers

The charity is run entirely by its trustees and a small team of dedicated volunteers. During the financial year, approximately 4 volunteers carried out charitable activities on behalf of the charity in the United Kingdom, contributing significantly to the delivery of services to over 250 beneficiaries.

Declaration

The trustees confirm that the Trustees' Annual Report has been prepared in accordance with the provisions applicable to charities not required to have their accounts independently examined.

Notes to the Accounts

1. Basis of preparation

These accounts have been prepared on a receipts and payments basis in accordance with the Charities Act 2011 and the Charity Commission's guidance for charities with gross income under £250,000.

2. Income

All income received during the year consisted of voluntary donations from Estelworld College, trustee Saniye Ucku and a small number of friends and supporters. No income was received from government grants or contracts, trading activities, investments or any source outside the United Kingdom.

3. Expenditure

Expenditure during the year was split equally between course fee subsidies for learners undertaking vocational training in hair, beauty and aesthetics, and the costs of running a community fundraising event. All expenditure was directly related to the delivery of charitable activities.

4. Trustee payments and related party transactions

No trustees received any payment for their services during the year. No grants were made to related parties.

5. Prior year funds brought forward

The funds brought forward of £1,100 represent the surplus generated in the charity's first financial period (14 June 2023 to 31 March 2024).

Declaration

We confirm that these accounts present a true and fair view of the receipts and payments of the charity for the year ended 31 March 2025 and of its assets and liabilities as at that date.
