Impact summary prepared by:

This data reflects Door 84 projects delivered from April 2024 to March 2025.

OUR IMPACT - AT A GLANCE

Over the past year, Door 84 has supported young people, adults with disabilities, and their caregivers through our youth groups, inclusive activity sessions, community café, and food bank.

This has been possible with the help of our supporters and volunteers, to which we are extremely grateful.

THE PEOPLE WE SUPPORT

We see the impact of our work every day, not just in statistics, but in conversations, the smiles we see, and the small actions that ripple far beyond our doors.

Below, we've shared a mix of data and voices from our community to show the difference we're making together.

5500+
Attendances

Café Attendee

There is something about Door 84 that makes you want to come back. It has such a good energy as soon as you walk through the door."

SPARKS

Our inclusive Sparks Project started in 2011, we offer adults with disabilities, autism, and additional support needs a fun, accessible space for creative and social activities.

It makes me feel happy coming here. It's good to have a laugh with my friends."

Kelly has been attending Sparks sessions since 2018, and for her, it's the highlight of the week.

She loves to dance and sees it as an enjoyable way to exercise. *"I come each week to have fun, dancing is exercise, and I don't exercise any other time!"*

Kelly has formed new friendships through Sparks while also attending with lifelong friends, making the experience even more special.

"People are really friendly here, and we can chat in the café after the Disco."

One of her favourite parts of the disco is choosing songs for the DJ.

93
Sessions

"The social side helps me too. It can be a lonely job, but I can now chat to others carers"

64
Participants

"It's special here, as I get to spend time with lots of my friends all at once"

70+
Activities

"I like to make people smile. I am the bingo caller and the entertainer!"

YOUTH SESSIONS

Door 84 have been running fun youth group sessions for over 50 years. We have provided a safe, interactive space for 8-17 year olds to socialise and grow.

It's definitely helped with our mental health."

Libby started attending Door 84 around five years ago and not long after, invited her friend Ella along. They've both been regulars ever since.

At Door 84, you get to know each other so well, it's like growing up in a kind of family, they say. "You feel supported, and most importantly, you can be yourself" says Ella.

The girls reflected that Door 84 offers something that school doesn't. A chance to relax, be listened to, and look after your own wellbeing.

"Here we can socialise, be active and do something positive."

Trips

Door 84 has given me the chance to socialise and experience things I never thought I would."

COMMUNITY CAFÉ

Our café was launched in 2021 and is open every Wednesday offering a warm, inclusive space for both local residents and the wider York community.

We provide essential support helping people facing food poverty through our Food Bank and Community Pantry, supported by supermarket donations and our partnership with FareShare.

The café also acts as a community hub, offering a safe space where attendees can connect with professional support services.

This dual approach meets both practical and social needs, helping to build stronger connections and reduce isolation.

"You have helped me so much. I forgot that people could be so kind."

Jane, a single parent, has been coming to the Café for over two years, finding support, friendship, and growing confidence.

When severe damp in her home began affecting her and her child's health, Door 84 stepped in to arrange meetings with housing officials and local councillors. Door 84 gave practical help such as washing her laundry, and providing new bedding, towels, and paint through funded support.

Door 84 arranged weekly food parcels which eased the pressure of food and fuel poverty, and at Christmas her child received free Santa tickets and donated toys, bringing some much needed joy during a difficult time.

"I was very nervous about attending initially, but I was made to feel very welcome. Now it is a positive addition to my week."

OUR FINDINGS

Listening & Learning

At Door 84, community is at the heart of everything we do and the overall feeling this year is that we're doing something right. People told us they feel safe, respected, welcomed, and enjoy their experiences with us – which is exactly what we want to hear.

Echoed from previous years' findings, there's a strong emphasis on how Door 84 is central to attendees' lives and how it provides essential services for many across York's community.

From Ideas to Impact

Last year's evaluation gave us some thoughtful feedback, and several key themes stood out:

- More Door 84 - new activities, new skills, new experiences
- More food – to enhance socialising, develop life skills, and support the wider community

In response to your feedback, we launched **Get Active, Get Cooking, and Get Creative** – structured, bookable sessions for young people.

After a pilot in October 2024 and consultation with young people, the sessions officially launched in March 2025.

While it's early to report on numbers, we're confident attendance will grow as awareness builds.

These sessions were also designed to better support those who may find traditional youth club formats challenging – our goal is always to ensure Door 84 is a safe, supportive, and a fun place for everyone.

We're committed to continuously learning and adapting to best meet the needs of all the young people.

Looking ahead, we will be building on new sessions for adults during the next year, including cooking and technical skills support.

Building a Stronger Identity

Behind the scenes, we've also made some exciting improvements:

- **Rebranded** – moved away from outdated logos and towards a style that feels more modern, vibrant and true to who we are today
- Launched a **new website** – better functionality, modern, fresh, and more "us"

We've strengthened our marketing and fundraising strategy by bringing together our new branding, website, and social media – creating a more joined-up approach that reflects our tone, voice, and clearly communicates why our work matters.

Looking Ahead

We're proud to be a trusted and supportive organisation – but we're not standing still. We'll continue to listen, learn and adapt to meet the needs of our community.

Our full Evaluation Report, can be found on our website door84.org.uk.

Trustee Statement

Door 84 Annual Summary: 2024-25

The 2024-25 year was highly successful for Door 84. The Trustees extend their gratitude to all donors, staff, and volunteers.

Key Developments

Values Review: Our Vision and Mission are unchanged, but following a major evaluation, we updated our Core Values to better reflect our ethos: Respect, Community, and Inclusion.

Marketing & Branding: We re-branded and launched a new website to strengthen our presence.

Funding Strategy: In response to a decline in grant funding, we re-focused our strategy to widen income streams through targeted applications, community events, and increased premises lettings.

Programme Highlights: Despite funding challenges, we maintained a safe and joyful place for young people and the community.

Youth Provision: The program was restructured to include shorter, focused provision (Get Cooking, Get Creative, Get Active) to better address diverse youth needs.

Sparks (Adults with disabilities): This popular provision for adults with disabilities was reviewed to ensure sufficient space for all attendees.

Community Provision: This vital lifeline for families changed its delivery day to align better with local services and distribution opportunities.

Community Profile & Future Focus: A Community Changemaker Award nomination and success in the charity Dragon Boat Race is evidence of our rising profile.

Growing Need: Demand for our services from youth, people with disabilities, and those experiencing isolation is increasing. Door 84 is a lifeline for many.

Fundraising: Continued fundraising efforts are more crucial than ever to meet this rising need and ensure a welcoming place for all.

Property Development: Installation of energy efficiency improvements to the building has been a great success, enabling the charity to make savings. Solar panels, battery storage, a heat pump and new windows and doors will conserve energy. We will continue to explore further development of the property to enhance facilities and create space, ensuring this challenge does not reduce funding for current Youth and Community programmes.

DOOR 84 YOUTH AND COMMUNITY CENTRE

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their annual report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's [governing document], the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Our activities are planned by the Management Committee with the Charities Commission guidelines on public benefit in mind. The activities include sports indoor and outdoor, cookery, baking, dance, art, crafts, gaming, music and free flow play for all alongside support opportunities as individuals and within a group setting.

Various parts of the building are used by other organisations under licence, these include a Nursery, Theatre Group, other Youth provisions, community meetings and events.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Significant activities and achievements against objectives

We welcome all children, young people, families and community members. Offering open access youth provision for 8-25 year olds and inclusive community groups for caregivers and adults at risk. We believe in encouraging all to develop and learn new skills and encourage positive activities and stimulating opportunities to raise self-esteem, aspirations and a sense of belonging. We continue to increase club attendances and support around 300+ individual children and young people and 120 within the community members and their families within a 12 month period. We endeavour to increase the club's income through fundraising events and appeals. We continue to develop the site to ensure our future without loss of income.

Financial review

Income resources in the period amounted to £2,442,879. This included £1,959,430 in respect of the funds introduced from the previous charity as per note 5 to the accounts, of this £1,936,674 was in respect of the Net Book Value of the building transferred. Income from Charitable Activities in the period amounted to £445,491. Resources expended in the period amounted to £447,230, the main expenditure being staff costs.

Reserves policy

Whilst we try to ensure expenditure is covered by income on an annual basis, our reserves policy gives us a cushion over time to meet this criteria, and also offers a safety net for unforeseen major expenditure. It is still justified by the continuing low levels of both deposit interest received and the income from the use of our premises.

Risk management:

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen the risks.

The main risk identified by the Trustees is a shortage of income over expenditure.

Structure, governance and management

The charity is a Charitable Incorporated Organisation governed by the declaration of trust dated 15th June 2023.

DOOR 84 YOUTH AND COMMUNITY CENTRE

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF DOOR 84 YOUTH AND COMMUNITY CENTRE

I report to the trustees on my examination of the financial statements of Door 84 Youth and Community Centre (the charity) for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England & Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

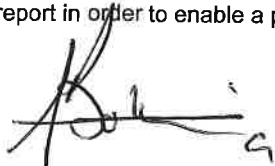

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

DOOR 84 YOUTH AND COMMUNITY CENTRE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

Door 84 Youth and Community Centre is a Charitable Incorporated Organisation governed by the declaration of trust dated 15th June 2023.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

DOOR 84 YOUTH AND COMMUNITY CENTRE

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	Nil and 2% Straight Line
Fixtures and fittings	15% Reducing Balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

DOOR 84 YOUTH AND COMMUNITY CENTRE

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

Impact summary prepared by:

OUR IMPACT - AT A GLANCE

Over the past year, Door 84 has supported young people, adults with disabilities, and their caregivers through our youth groups, inclusive activity sessions, community café, and food bank.

This has been possible with the help of our supporters and volunteers, to which we are extremely grateful.

THE PEOPLE WE SUPPORT

We see the impact of our work every day, not just in statistics, but in conversations, the smiles we see, and the small actions that ripple far beyond our doors.

Below, we've shared a mix of data and voices from our community to show the difference we're making together.

403

Sessions
Delivered

500

Activities

5962+

Attendances

Partnership Organisation

The Door 84 team are exceptional. Caring, kind and go above and beyond to help the community. We are proud to be involved with them"

COMMUNITY SPARKS

Our inclusive Sparks Project started in 2011, we offer adults with disabilities, autism, and additional support needs a fun, accessible space for creative and social activities.

These are my people, this is my community. I feel comfortable at Door 84"

Keith* has attended Door 84 for over 2 years, he shares what Door 84 means to him.

When I was at school I used a walking frame, people kept away from me and I felt that they treated me different.

I know that I am different but so is everyone here, these are my people, this is my community. I feel comfortable at Door 84.

I enjoy coming, and dancing at the disco, and going on trips. I love to talk to people, and there are always lots of friends that I can chat to whilst I'm here.

82
Sessions

"I have a laugh and can be the real me when I'm at Door 84, you are all so friendly here"

63
Participants

"I loved the dancing, it makes me feel happy being with my new friends"

256
Caregivers

"Coming here helps make connections, relationships and friendships within the community"

YOUTH SESSIONS

Door 84 have been running fun youth group sessions for over 50 years. This past year we have provided a safe, interactive space for 8-25 year olds to socialise and grow.

"She now accepts love, hugs and support if needed"

Harriet* (aged 9) experienced the recent bereavement of her Dad. Therapeutic Play sessions were offered alongside Youth Club sessions. Newly diagnosed as neurodiverse she struggled with friendships, managing emotions and frequently had meltdowns at home.

Since attending Mum said Harriet now comes in from school and is so much more content, the outbursts are minimal and if she cries, she can share why she was upset. Our home life is hugely improved; we have a much healthier, happier relationship and so much more joy in our lives.

363
Young People Attended

167
Sessions

5
Residentials & Trips

"I love Door 84 because it makes me feel good when I'm sad"

COMMUNITY CAFE

The community cafe has evolved substantially over the past two years. We now offer a selection of free surplus foods for residents to access while providing hot drinks and biscuits.

Alongside this, we run our Community Pantry. We subscribe to Fareshare and offer a food bank and affordably priced food to help combat food poverty.

Everything we provide in support of the wider family needs is sourced via additional funding from a variety of providers.

Purchased a washing machine to assist local residents with laundry needs

Provided 1 caravan holiday to a family that does not have access to holidays

Provided 12 families including 22 children with bespoke vouchers tailored to their needs

Supported 16 families to visit Santa and have a fun day out for free.

Provide children's clothes, toys, books & games for free

Provided for our community members over 12 months

Most of the time I don't speak to anyone, it's very lonely"

Jack* used to be homeless, a friend introduced him to Door 84. Although accommodation is now secured, he still struggles to manage his finances and attends the cafe every week.

Jack told us his story; I have tried to manage without food banks in the past, but it's becoming impossible.

What's also helped me is the personal support I've received from the staff and other professionals. In particular, helping me with applying for jobs as I don't have a computer at home and I struggle with my reading and writing.

Most of the time I don't speak to anyone as I live alone and I get very lonely. I really look forward to Cafe sessions.

Cafe Attendee

The service you provide shines a light in the darkness, it helps us feed our families. Thanks from the bottom of my heart"

OUR RESEARCH / FINDINGS

Our year's worth of consultation, gathered through conversations, questionnaires, surveys, observations and case studies; from many stakeholders including Young People, Community Members, Volunteers, Staff, Trustees, and Partnership organisations, provided rich data for our **Evaluation Report**.

We are happy to conclude that the report shows continued success and growth across all aspects of our provision.

Our full Evaluation Report, can be found on our website door84.org.uk.

In early 2024 Door 84 collaborated with York St John University students and lecturers in undertaking the "Reimagining Door 84" Project.

The project aimed to understand how visitors and other community members engage with and imagine Door 84, and how do these groups imagine the future of Door 84. They sought to do this by engaging in collaborative research practices with visitors to Door 84 and other community members.

The report reflects the aims, process and key findings of the project.

The full report, can be found on our website door84.org.uk.

Statement to stakeholders regarding our annual accounts for 2023/24

As part of our ongoing development we changed to a Charitable Incorporated Organisation (CIO) in June 2023. This change reflects our commitment to ensuring a stronger legal framework for our charity enabling us to operate more effectively in delivering our mission.

Due to this transition, we have produced two sets of accounts for the financial year 2023/24:

1. Accounts for the period April to June 2023 – These cover activities under our original charity registration (Charity No. 523455).
2. Accounts for the period July 2023 to March 2024 – These reflect activities under our new CIO registration (Charity No. 1203574).

This approach ensures compliance with regulatory requirements and provides clarity on our financial activities during the transition. We thank you for your ongoing support and understanding as we move forward under our new CIO status.

If you have any questions, please don't hesitate to contact us.

Sincerely,

The Door 84 Team

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

Our activities are planned by the Management Committee with the Charities Commission guidelines on public benefit in mind. The activities include sports indoor and outdoor, cookery, baking, dance, art, crafts, gaming, music and free flow play for all alongside support opportunities as individuals and within a group setting.

Various parts of the building are used by other organisations under licence, these include a Nursery, Theatre Group, other Youth provisions, community meetings and events.

Achievements and performance

We welcome all children, young people, families and community members. Offering open access youth provision for 8-25 year olds and inclusive community groups for caregivers and adults at risk. We believe in encouraging all to develop and learn new skills and encourage positive activities and stimulating opportunities to raise self-esteem, aspirations and a sense of belonging. We continue to increase club attendances and support around 300+ individual children and young people and 120 within the community members and their families within a 12 month period. We endeavour to increase the club's income through fundraising events and appeals. We continue to develop the site to ensure our future without loss of income.

Financial review

Incoming resources decreased this year to £271,948 (2023 £345,284) due to the conversion of the charity to a CIO during the year,

Resources expended have increased from £329,078 to £393,002 as a result of £185,302 included in other expenditure relating to the funds transferred to the CIO.

Risk management:

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen the risks.

The main risk identified by the Trustees is a shortage of income over expenditure.

Reserves policy:

Whilst we try to ensure expenditure is covered by income on an annual basis, our reserves policy gives us a cushion over time to meet this criteria, and also offers a safety net for unforeseen major expenditure. It is still justified by the continuing low levels of both deposit interest received and the income from the use of our premises.

The trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

DOOR 84

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DOOR 84

I report to the trustees on my examination of the financial statements of Door 84 (the Charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the Charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

DOOR 84

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Door 84 is a charity governed by the declaration of trust dated 30th March 1939 and the Deed of Exchange dated 26th May 1971 as amended 4th September 2002.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

The charity's funds were transferred over to the new Door 84 CIO in October 2023 but the property remains under the legal total of Door 84. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.5 Expenditure

Expenditure is included on an accruals basis, inclusive of any VAT which cannot be recovered.

All costs have been directly attributed to one of the functional categories of reserves expended in the Statement of Financial Activities.

Governance costs comprise the costs for the running of the charity itself as an organisation.

DOOR 84

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies (Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	Nil and 2% straight line
Fixtures, fittings and equipment	15% reducing balance and 3 years straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

DOOR 84

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

14 Restricted funds

(Continued)

Community Sparks - Income to cover wages costs.

Langkelly Chase - This is an independent charitable foundation and network who collaborate with partners to change systems of injustice and oppression that result in the mental distress, violence and destitution of people subject to marginalisation in the UK. We work with others to shift patterns of perspective, power and participation. Langkelly have been funding a collaborative project which Door 84 and multiple other organisations have been a part of called 'Together with Young People'.

Gosling Foundation - grant towards youth activities.

Other Youth - Income to cover costs of other youth services.

City of York Council Holiday Activity and Food Programme - Local Authority funding to run 'Holiday Activities and provide Food' to young people during school holidays.

Williams Family Fund - This fund is a cooking skills project.

Community Cafe - Unrestricted fund that can be utilized for charities like Youth and Community Sparks.

Big Lottery - Income to cover wages, general running expenses, training, consultancy and overheads.

BBC Children in Need - This grant is to cover core running costs for youth sessions and Play Therapy.

TRUSTEES' REPORT FOR THE PERIOD ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the Period ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's [governing document], the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Our activities are planned by the Management Committee with the Charities Commission guidelines on public benefit in mind. The activities include sports indoor and outdoor, cookery, baking, dance, art, crafts, gaming, music and free flow play for all alongside support opportunities as individuals and within a group setting. Various parts of the building are used by other organisations under licence, these include a Nursery, Theatre Group, other Youth provisions, community meetings and events.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Significant activities and achievements against objectives

We welcome all children, young people, families and community members. Offering open access youth provision for 8-25 year olds and inclusive community groups for caregivers and adults at risk. We believe in encouraging all to develop and learn new skills and encourage positive activities and stimulating opportunities to raise self-esteem, aspirations and a sense of belonging. We continue to increase club attendances and support around 300+ individual children and young people and 120 within the community members and their families within a 12 month period. We endeavour to increase the club's income through fundraising events and appeals. We continue to develop the site to ensure our future without loss of income.

Financial review

Income resources in the period amounted to £267,671. This included £185,302 in respect of the funds introduced from the previous charity as per note 5 to the accounts.

Resources expended in the period amounted to £168,430, the main expenditure being staff costs.

Reserves policy

Whilst we try to ensure expenditure is covered by income on an annual basis, our reserves policy gives us a cushion over time to meet this criteria, and also offers a safety net for unforeseen major expenditure. It is still justified by the continuing low levels of both deposit interest received and the income from the use of our premises.

Risk management:

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen the risks.

The main risk identified by the Trustees is a shortage of income over expenditure.

Structure, governance and management

The charity is a Charitable Incorporated Organisation governed by the declaration of trust dated 15th June 2023.

DOOR 84

TRUSTEES' REPORT (CONTINUED) *FOR THE PERIOD ENDED 31 MARCH 2024*

The trustees who served during the Period and up to the date of signature of the financial statements were:

Mr B Houghton
Mr D Adamson
Mr J Niklaus
Mrs S Salter
Mrs A Bates
Ms C Pugh
Dr S Trussler
Mr S Haddock
Ms H Clarkson
Mr A Jones

The trustees' report was approved by the Board of Trustees.

Ms H Clarkson

DOOR 84

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DOOR 84

I report to the trustees on my examination of the financial statements of Door 84 (the Charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the Charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

DOOR 84

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Door 84 is a Charitable Incorporated Organisation governed by the declaration of trust dated 15th June 2023.

1.1 Reporting period

The first accounting period relates to the date from the registration of the charity until 31st March 2024.

1.2 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.3 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.5 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

DOOR 84

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1 Accounting policies (Continued)

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.10 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

13 Restricted funds

(Continued)

Big Lottery - Income to cover wages, general running expenses, training, consultancy and overheads.

BBC Children in Need - This grant is to cover core running costs for youth sessions and Play Therapy.

Ed De Nunzio Trust & Gosling Foundation - Grant received towards youth activities.

Langkelly Chase - This is an independent charitable foundation and network who collaborate with partners to change systems of injustice and oppression that result in the mental distress, violence and destitution of people subject to marginalisation in the UK. We work with others to shift patterns of perspective, power and participation. Langkelly have been funding a collaborative project which Door 84 and multiple other organisations have been a part of called 'Together with Young People'.

Williams Family Fund - This fund is a cooking skills project.
