ACHEIVEMENT AND PERFORMANCE

We offer different range of service during the week and Sunday, which our church members find beneficial and spiritual fulfilling. For example, evening prayers where people make prayer requests and also partake in spiritual counselling. We have increased in numbers both online and physical. We have been able to support community, including the support of people emotional and financial challenges, being able to signpost them to the appropriate agencies to get professional and expert help.

PURCHASE OF MUSICAL INSTRUMENTS

We also upgraded our musical instruments, which has been very instrumental to our organisational object of advancing the Christian faith. Our parishioners and invited guest appear to enjoy our music and it has been a key factor in establishing social cohesion within our parishioners and large community as well.

PURCHASE OF FURNITURES

Due to the rapid increase in the number of our parishioners, the need to purchase extra chairs and furniture came to the forefront.

Notes to the Financial Statement for the Year Ended 31st December 2023

1. Accounting policies

The principal accounting policies are set out below. The accounting policies have been adopted consistently throughout the year.

a) Basis of accounting

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets, and are in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005 and the Financial Reporting Standard for Smaller Entities (effective April 2008).

b) Incoming resources from generated funds

Incoming resources from generated funds represents donations towards weekly tithes, church building fund, thanksgiving, annual conference, travel and other contributions

c) Incoming resources; Interest receivable

Interest is credited in the year in which it is received.

d) Resources expended

Expenditure is recognised when a liability is incurred. Funding provided through contractual agreements and performance related grants are recognised as services are supplied. Other grant payments are recognised when a constructive obligation arises that results in the payment being unavoidable.

Costs of generating funds are those costs incurred in attracting voluntary income, and those incurred in activities that raise funds.

Grants payable are payments made to third parties in the furtherance of the charitable objectives of the Trust. Single or multi-year grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the Trust.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs include those incurred in the governance of its assets and are primarily associated with constitutional and statutory requirements.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Depreciation

Depreciation is calculated at rates estimated to write off the cost of all tangible fixed assets over their expected useful lives:

Equipment, Fixtures and Fitting: **25%**

During the year under review, the church decided to continue to separate its equipment from its furniture fixtures and fittings. A depreciation rate of 20% was applied on each category on a reducing balance basis.

Independent Examiner's Report to the Trustees of CHERUBIM & SERAPHIM MOVEMENT CHURCH, HEIRS OF GRACE MODEL PARISH

I report on the accounts of the Trust for year ended 31st December 2023, which is set out on pages 7

Respective responsibilities of Trustees and examiner

As the charity's trustees, you are responsible for the preparation of the accounts; you consider that the audit requirement of section 43(2) of Charities Act 1993 (the Act) does not apply. It is my responsibility to state, on the basis of the procedures specified in the General Directions given by the Charity Commissioners under section 43(7)(b) of the Act, whether matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with our examination, no matter has come to our attention: -

- to keep accounting records in accordance with section 386 and 387 of the Companies Act 2006 and
- - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Section 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- 2) to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts to be reached.
