We as a group run a monthly meeting and regularly have between 10-15 carers.

We also run a coffee drop in that has between 10-15 carers

We have run a pamper day for carers with 40 people attending

We have funded the printing of the hope guide- a book with every support group and contact details in Banes. It is live on our website and we are seeking funding to print copies as they are very popular with service users and carers

We have developed and run training for carers with really good feedback from attendees, we are trying to get funding and support from statutory services to run more courses. We have been able to give this training to 150 carers in Banes and Somerset

Trustees sit on many meetings with third sector and statutory services representing carers and ensuring their voice is heard

We also attend many events representing carers
