Report of the Trustees for the Year Ended 31 March 2025

The trustees of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year to 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

We would firstly like to thank all our funders for their support and all our volunteers and staff who without everybody's help, it would not have been possible.

Rock Community Hub CIO was started by a parent of a special need's child who, having explored the availability of training for young people and adults who had reached their 18th birthday, discovered that very little was available. She subsequently decided to start Rock Foundation to provide young people and adults, and the disadvantaged, work experience and workshops so that these people could achieve their full potential in life, and we now serve in excess of one hundred adults with learning disabilities every week. We also run a food bank providing meals for the most vulnerable in N E Lincs.

During the last financial year, Rock Community Hub CIO continued to provide services to people who are vulnerable, including a wide range of services such as free haircuts to give our clients some self-esteem. Benefit advice, working with approx. 350 people calling for advice each month. Universal Credit, Housing and Pip enquires to name a few. Phones and Sim cards, carbon alarms, plus help with fuel poverty.

Over the past year our food bank has experienced increasing levels of need with 30,086 parcels and 270,774 meals given out this year. With a fair value of £406,161. This would not have been possible without the help of HIS, Morrison's, Tesco, Aldi. Lidl, Greggs and a wide variety of local businesses and supporters, many of whom do not wish to be identified.

Our food bank does however offer more than a bite to eat, and our volunteers have worked tirelessly to make a real difference in the lives of clients, helping to acquire essentials for needy families, helping to fill out forms, signposting to other services, and even driving individuals across the country to rehabilitation centres. We were also delighted to pilot an energy grant which was really successful and as result have required ongoing funding for energy for disadvantage people. Many clients come down for a chat and to help support others from their local community.. This has created a unique and positive little community which has added benefit to this project.

VOLUNTEER REVIEW

We continue to be blessed with excellent volunteers, who help us to operate in all areas of our work. Our volunteers come from a wide range of organisations, backgrounds and experience.

whose valuable contribution is difficult to quantify, but incredibly significant. We estimate to have received approximately 6240 such volunteering hours. With a Cost of £77,376 based on £12.40 per hour

FINANCIAL REVIEW

Reserves policy

It is the policy of the charity to monitor unrestricted funds which are free reserves of the charity to achieve a minimum level of £10,000. This will provide sufficient funds to cover management, administration, support costs and to respond to emergency applications for grants which arise from time to time.

Incoming resources for the year amounted to £474,886 and resources expended £420,179. Free reserves at the year-end were £54,707.

FUTURE PLANS

As ever plans are in place to maximise the use of current resources, and to develop new services. locally, this will involve working with other local organisations such as "We are with you" who deliver substance misuse and outreach. We continue to work with Harbour Place to do with NFA. As a foundation we are hoping to be able to increase our pastoral care for our clients.

This years present Climate

Fortunately, we have received several grants which has enabled the charity to be financially stable. We are very grateful to Cadent who fund our benefit advice and other projects.

Without our donors it would be impossible to do what we do. We would like to thank all the supermarkets, factories, businesses schools, colleges individual donors and grant providers.

There will always be a risk and uncertainties.

As a charity we feel quite confident about the future. But we all know this could change. We feel we have tried to look at every eventuality.

" Some concerns are as follows: -

Food Bank- Volunteers lack of. Donations of food to distribute especially with rising numbers. Lack of donors and funding

Security always a concern. After having had a number of break ins. Working with Police and local Council..

STRUCTURE, GOVERNANCE AND MANAGEMENT

The provision of support, advice or signposting to the relevant information or advisory services.

Working in partnership with other organisations in the relief of food poverty.

Recruitment and appointment of new trustees

The charity seeks to appoint trustees from persons who share the same ethos. It seeks to identify those most suitable to bring a balance of skills and strengths to the board. Each trustee is given a job description which utilises their skills.

Organisational structure

The CEO makes day to day decisions with regards to the general running of the charity. Trustees make decisions on management salaries, development and expansion and any other major decisions.

Risk management

Independent Examiner's Report to the Trustees of
Rock Community Hub CIO

Independent examiner's report to the trustees of Rock Community Hub CIO ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Report of the Trustees for the Period 20 June 2023 to 31 March 2024

The trustees of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the period 20 June 2023 to 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

INCORPORATION

The charitable incorporated organisation was formed on 20 June 2023.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

We would firstly like to thank all our funders for their support and all our volunteers and staff who without everybody's help, it would not have been possible.

Rock Community Hub CIO was started by a parent of a special need's child who, having explored the availability of training for young people and adults who had reached their 18th birthday, discovered that very little was available. She subsequently decided to start Rock Foundation to provide young people and adults, and the disadvantaged, work experience and workshops so that these people could achieve their full potential in life, and we now serve in excess of one hundred adults with learning disabilities every week. We also run a food bank providing meals for the most vulnerable in N E Lincs. In 2023 it was decided to move our foodbank into its own separate charity hence Rock Community Hub CIO.

During the last financial year, Rock Community Hub CIO continued to provide services to people who are vulnerable, including a wide range of services such as free haircuts to give our clients some self-esteem. Benefit advice, working with approx. 350 people calling for advice each month. Universal Credit, Housing and Pip enquires to name a few. We also have had 100% success with pip appeals. Phones and Sim cards, carbon alarms, plus help with fuel poverty.

Over the past year our food bank has experienced increasing levels of need with 29,184 parcels and 262,656 meals given out this year. With a fair value of £393,984. This would not have been possible without the help of HIS, Morrison's, Tesco, Aldi, Lidl, Greggs and a wide variety of local businesses and supporters, many of whom do not wish to be identified.

Our food bank does however offer more than a bite to eat, and our volunteers have worked tirelessly to make a real difference in the lives of clients, helping to acquire essentials for needy families, helping to fill out forms, signposting to other services, and even driving individuals across the country to rehabilitation centres. We were also delighted to pilot an energy grant which was really successful and as result have required ongoing funding for energy for disadvantage people. Many clients come down for a chat and to help support others from their local community, with a number returning to volunteer. This has created a unique and positive little community which has added benefit to this project.

VOLUNTEER REVIEW

We continue to be blessed with excellent volunteers, who help us to operate in all areas of our work. Our volunteers come from a wide range of organisations, backgrounds and experience.

We also receive help from many casual volunteers throughout the year, whose valuable contribution is difficult to quantify, but incredibly significant. These are people that come to help with a specific short-term projects or events, offer a few days when they are available. We estimate to have received approximately 6000 such volunteering hours.

FINANCIAL REVIEW

Reserves policy

It is the policy of the charity to monitor unrestricted funds which are free reserves of the charity to achieve a minimum level of £10,000. This will provide sufficient funds to cover management, administration, support costs and to respond to emergency applications for grants which arise from time to time.

Incoming resources for the year amounted to £474,886 and resources expended £420,179. Free reserves at the year-end were £54,707.

Report of the Trustees for the Period 20 June 2023 to 31 March 2024

FUTURE PLANS

As ever plans are in place to maximise the use of current resources, and to develop new services. locally, this will involve working with other local organisations such as "We are with you" who deliver substance misuse and outreach. We continue to work with Harbour Place to do with NFA. As a foundation we are hoping to be able to deliver pastoral care for our clients.

This years present Climate

Fortunately, we have received several grants which has enabled the charity to be financially stable. We are very grateful to Cadent who fund our benefit advice and other projects. Screwfix, Asda to name a few. Without our donors it would be impossible to do what we do. We would like to thank all the supermarkets, factories, businesses schools, colleges and individual donors.

There will always be a risk and uncertainties.

As a charity we feel quite confident about the future. But we all know this could change. We feel we have tried to look at every eventuality.

Some concerns are as follows:

Food Bank- Volunteers lack of. Donations of food to distribute especially with rising numbers. Lack of donors and funding

Security always a concern. After having had a number of break ins. Working with Police and local Council.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The objects of the CIO are for the public benefit the prevention or relief of poverty in the North East Lincolnshire area, in particular, but not exclusively by:

Proving emergency food parcels to individuals and families as determined in need.

The provision of support, advice or signposting to the relevant information or advisory services.

Working in partnership with other organisations in the relief of food poverty.

Recruitment and appointment of new trustees

The charity seeks to appoint trustees from persons who share the same ethos. It seeks to identify those most suitable to bring a balance of skills and strengths to the board. Each trustee is given a job description which utilises their skills.

Organisational structure

The CEO makes day to day decisions with regards to the general running of the charity. Trustees make decisions on management salaries, development and expansion and any other major decisions.

Induction and training of new trustees

We have a policy for induction and training of trustees. As stated in our policy each trustee receives a training pack and will also spend a day with our CEO explaining the role of the trustee.

Risk management

The trustees have examined the major strategic, business and operational risks that the charity faces and confirms that systems are in place to monitor and control these risks and ensure that the necessary steps can be taken when appropriate. Any major risks to which the charity is exposed will be reviewed in an emergency trustees meeting.

Independent Examiner's Report to the Trustees of
Rock Community Hub CIO

Independent examiner's report to the trustees of Rock Community Hub CIO

I report to the charity trustees on my examination of the accounts of the Rock Community Hub CIO for the period 20 June 2023 to 31 March 2024.

Responsibilities and basis of report

As the charity's trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
