Section C Objects and activities

Summary of the objects of the charity set out in its governing document

The objects of the charity are:

1. To advance the Religion of Islam, in the UK, for the benefit of the public in particular, but not exclusively, by:
 - (a) Holding of prayer meetings
 - (b) lectures and courses
 - (c) producing and/ or distributing literature on Islam, and any other means deemed appropriate to enlighten others about the Islamic faith.

Masjid Salahaddin

Receipts and Payments Accounts for the year ended 30th June 2025

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Charity commission requires the trustees of a charity to:

- Select suitable accounting policies and then apply them, consistently;
- Observe the methods and principles in the charities SORP;
- Make judgement and accounting estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless there is a reason to believe that the Association will not continue for the foreseeable future.

The Trustees are responsible for the keeping of proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charity Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

During the year, the trustees identified areas where financial controls and record keeping procedures require strengthening. The charity receives a significant proportion of its income in cash donations. While amounts are recorded, supporting documentation and formal receipting procedures were not consistently maintained.

In some instances, expenditure was settled in cash and supporting supplier documentation was not always retained. The trustees recognise the need to improve documentation procedures and are implementing measures to ensure all expenditure is fully supported by appropriate invoices and receipts.

On occasion, payments were initially made through personal accounts and subsequently reimbursed by the charity. The trustees acknowledge that all transactions should ideally be processed directly through the charity's bank account and confirm that this practice will cease going forward.

Due to the small size of the charity and reliance on volunteers, segregation of financial duties remains limited. The trustees are reviewing internal processes to improve oversight and accountability.

Masjid Salahaddin

Receipts and Payments Accounts for the year ended 30th June 2025

The trustees also note the significant reduction in donation income compared to the previous year and are monitoring expenditure carefully to ensure the charity remains financially sustainable.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

The charity advanced the religion of Islam by operating and maintaining the mosque as a place of public worship and religious education, including regular prayers and lectures. Expenditure was incurred on staffing, utilities and premises costs to support the continued delivery of these charitable activities.

Section E Financial review

Brief statement of the charity's policy on reserves

The charity holds £10,000 in reserves in case of an emergency expense and to help with the running costs.

Section F Declaration

The trustees declare that they have approved the trustees' report above.
