TRUSTEE ANNUAL REPORT FOR THE YEAR ENDED 31 AUGUST 2024

Introduction

Nigerian Methodist Mission (*hereafter the Mission*) is an independent charity that identifies with Christian ethos found in the Holy Bible. The Mission will seek to support, empower and guide Nigerian Methodists to attain their life goals and contribute to their local churches and society. We aim to equip members for discipleship, develop lay leadership and help individuals to enrich Methodism in the UK, the communities and beyond by enabling them to integrate and use their gifts meaningfully whilst heeding the calling of God through Jesus Christ by:

- responding to the gospel of God's love in Jesus Christ.
- seeking to help its members to grow and live in harmony as Christians in the UK.
- encouraging and ensuring that all members are equipped and supported to come to a knowledge of and fulfil their Christian calling
- Supporting our members to reach their life goals

Review of the Year

The Mission came into existence as an independent charity on 23 June 2023 and it has been a very busy 14 months culminating to its first report for the year ended August 2024. The Year Plan 2023/34 has supported members through the course of the year through their local fellowships and the coming together for Mission events. This includes the Monthly Vigil, Monthly Morning Cry prayers with key yearly events celebrated that includes Palm Sunday Community Hymn Singing, The Mission Annual Conference, Nigerian Independence Community Hymn Singing, the Harvest Thanksgiving and the Christmas Carol Community Hymn Singing with Methodist Boys High School, Old Students Association – UK and Ireland as well as Methodist Girls High School. There have also been Quarterly Seminars on educational, social and cultural topics.

Income Trends

The Missions income is primarily generated from membership dues, donations and pledges. From the accounts, the charity raised over £18784 for the year.

Expenditure Trends

Again, from the accounts our expenses for the year were at their barest minimum at only about £2070 yielding a net surplus of £16714 to our reserves.

Fund balances

The fund balance grew by 33% from the previous year to £67731.00

Plans for 2024/25

The coming year is seen as a year of growth after a year of transition. Plans are in place for more fundraising activities in order to acquire a Mission House and Office as part of its 5 year goal that will support young people in the UK. There are plans to make the Mission more agile in responding to the needs of Nigerian Methodists in diaspora, especially the new arrivals. The Mission's plan is to empower and guide them to acclimatise to a new environment and culture whilst providing tools to help navigate better integration. We hope to work more with Stewardship Services UKET to provide general guidance on charity giving.

The Management Council have plans in the next 6 months to offer in-person structured Safeguarding training for all officers through a third party organization. There is on-going plans to ensure that Disclosure and Barring Service (DBS) check is conducted for officers that will be involved with children and vulnerable adults.

Public Benefit

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

Structure, Governance and Management

The governing document for the Mission is the Nigerian Methodist Mission Guidebook 2023 (being updated for republication July 2025)

Detailed policies and governance arrangements are outlined within.

Day to day management of the Mission is undertaken by the Management Council and other committees convened for specific purposes. Second layer is through the Trustee Meeting.

Trustee Training

The Mission receive notifications from Charity Commission Comms which is passed on to all Trustees for continuous training and engagement. Any of the webinars that are appropriate for the members are also shared accordingly.

Risk Management

The Management Council reviews the regulatory framework in which the Mission operates – with professional advice sought, as required.

Additionally, as part of risk management, income and expenditure is monitored monthly to ensure that it is in line with expected forecasts, to prevent fraud, and to ensure any unforeseen calls on reserves.

Safeguarding

The Mission commits itself to ensuring the implementation of Nigerian Methodist Mission Safeguarding Policy; government legislation, guidance and safe practice in places where it operates. There is a Safeguarding Officer in place and the policy has been disseminated to all members through a presentation. Members are reminded about being ambassadors for Christ and every person should be valued and respected

- Members are aware of the key elements surrounding how to identify and respond to risks of harm in protecting the young and vulnerable.
- Members are aware of the roles and responsibilities of the Safeguarding Officer and their role in safeguarding, thus working together in providing a safe environment
- Members are also aware of the reporting regime within the Mission especially recognizing dangers and how to respond.

Every person has a value and dignity, which comes directly from the creation of humans in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Principles

We are committed to:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- safeguarding and protecting all children, young people and adults when they are vulnerable
- establishing safe, caring communities, which provide a loving environment where there is informed vigilance as to the dangers of abuse.

We will carefully select and train all those with any responsibility within the Mission, in line with safer recruitment principles. We will respond without delay to every safeguarding concern, which suggests that a child, young person or adult may have been harmed, working in partnership with the police and local authority as appropriate. We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care. We will seek to challenge any abuse of power, especially by anyone in a position of trust.

Reserves Policy

The Nigerian Methodist Mission UK aims to maintain a general reserve of unrestricted funds sufficient to meet its financial, legal and moral obligations to its service users, employees and volunteers and to all relevant authorities."
