

Trustee Report HI Pump Track 2025

This year has been a year of working with local organisations and the Parish Council to progress the charity's objectives.

Despite challenges, the Trustees have been progressing land options and working towards a plan for a new survey, as well as more educational events for residents on what a Pump Track is.

We have also been working with a broader group of organisations that will either give access to land or help fund the charity's objectives for a Pump Track within the villages.

The next year will bring a challenge of increasing our Trustee and volunteer base to bring the long-term goal of a Pump track to the Villages of Histon and Impington.

Edd Stonham Chairman

Accounts Report

This year we have bank holdings of £1490

We have currently not spent any funds in the year 2024 to 2025 due to support from our trustees.

In 2025 to 2026 we will see funding increase along with expenditure as Microsoft have discontinued its free charity licenses.

Our current banking is with Coop and all are agreed to keep with this banking partner.
