### **Membership**

The club has seen growth in membership this year, with total numbers rising to 92 compared with 85 last year. This includes 59 competitive rowers and 33 social members, reflecting both strong participation in racing and continued interest in recreational rowing.

Our Junior section has also expanded, increasing from 18 to 22 members, with a further 4 currently in the trial period. We supported this growth by running two junior recruitment days, which successfully brought new young rowers into the club. We are able to field 3 Junior crews for the international Junior event in Plymouth.
