Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are: ☐ to advance the Christian religion in Stockton-on-Tees and surrounding areas for the benefit of the public through the holding of prayer meetings, lectures, public celebration of religious festivals producing and/or distributing literature on Christianity to enlighten others about the Christian religion; and ☐ to further or benefit the residents of Stockton-on-Tees, surrounding areas and the neighbourhood, without distinction of sex, race

or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance wellbeing and to provide facilities in the interests of social welfare with the objective of improving the conditions of life for the residents.

Nothing in this constitution shall authorise an application of the property of the CIO for the purposes which are not charitable.

We are currently in the process of setting up a community hub.

The intention of this is a safe space for people to come and have food, drink, a warm environment and company.

This includes playing various types of games, putting on films and have conversations.

We have a weekly Sunday service, which is followed by refreshments.

We put on a quarterly prayer and praise service, which has live Christian musicians play.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)
