

Trustees' Annual Report

Langley Lycans Football Club
Charity Registration Number: 1203858
Financial Period: 5 July 2023 – 1 July 2024

Objectives and Activities

The objects of Langley Lycans Football Club are:

"To provide facilities for recreation or other leisure time occupation, and in particular facilities for participation in the sport of football, in the interests of social welfare for young people under the age of 18 living in Slough and the surrounding area who have need of such facilities by reason of their youth or age with a view to improving the conditions of life of such persons."

Our charity furthers these objects by delivering structured football training, matches, and community-building events for children and young people.

Activities and Achievements

During the financial year, the club provided:

- Regular training sessions for around 30 children aged under 18
- Participation in competitive football matches
- A community-based Christmas event
- An End of Year Awards ceremony to recognise the achievements of players and volunteers

We believe these activities contributed meaningfully to participants' physical health, social development, and community engagement.

Volunteer and Governance Structure

Langley Lycans Football Club is managed by a Board of 5 trustees, supported by 4 active volunteers who help with coaching, administration, and safeguarding.

All trustees and volunteers are committed to upholding safeguarding standards and youth development. Enhanced DBS checks are undertaken for relevant roles.

Financial Review

Summary of Income and Expenditure:

- Total income: £10,724.54

LANGLEY LYCANS FOOTBALL CLUB

- **Total expenditure:** £10,787.05
- **Deficit for the year:** £62.51

Our income came from a combination of:

- **Training fees** (£5,126.74)
- **Sponsorship** (£2,628.34)
- **Grants and donations** (£920.79)
- **Membership and fundraising efforts** (including Easyfundraising and the End of Year Awards)

The club's main expenses included venue hire, kits, equipment, safeguarding training, and community events.

Despite a modest deficit this year, we remain in a stable position and continue to monitor spending closely.

Reserves Policy

As a small charity, we do not hold significant reserves but aim to maintain sufficient funds to meet three months' worth of core costs, including pitch hire and equipment.

Future Plans

Our primary goal is to expand the club by forming **two new teams** to offer more young people in Slough and its surroundings the opportunity to participate in structured football.

We will also continue to build community links, improve facilities, and seek further funding to support growth and sustainability.
