Home of the Charity

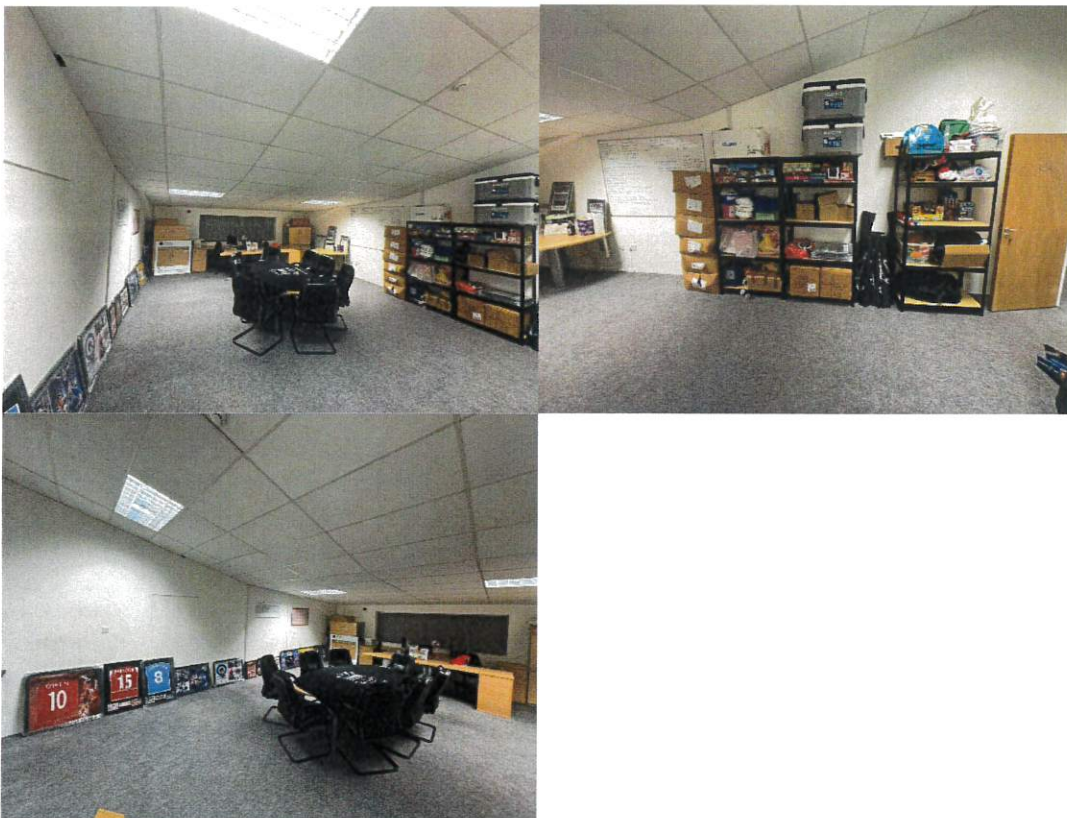

In Feb 2024 we acquired an office for rent close to Swadlincote, this is located at

Suite 15A Blakenhall Farm,
Caldwell, Swadlincote,
Derbyshire,
DE12 6RU

The decision to rent an office was to enable the smoother running of the charity. This would allow all of the equipment the charity had to be stored in one location, along with a place to hold the monthly charity meetings in a private location when discussing confidential information.

We have a 30 days cancellation on a rolling agreement after the initial 12 months with our landlord for the rental of the office space.

The total outlay for the office during the 18 month period was £6422, this is a combination of rent, service charge, business rates and electricity costs.

All the office furniture was second hand and gifted to us by a company who were having an office refurbishment.

First Aid Course – Several Trustees attended a first aid course so that at any given event, should anything that requires medical assistance, we could at least offer some sort of care prior to the arrival of the ambulance, should it be required.

Business Sponsors – Miles for Smiles are fortunate to be supported by several business sponsors who donate money or time free of charge, to help us carry out the work of the charity. Below is a list of names and their sponsorship amount. As part of the sponsorship, each business sponsor received Miles for Smiles merchandise and depending on the level of support, a number of free tickets to one of our events

Events – Throughout the year we held several fundraising events. They were agreed by the Trustees at their meetings after consideration of the following criteria

Date – spacing out of events throughout the year

Venue – Suitable place to host the event, taking into consideration the number of attendees and its facilities

Ticket Pricing – Costs required to run the event were established to enable a ticket price to be considered that would enable profits for the charity whilst still providing good value for the money for the attendees.

Miles for Smiles see the events as not only raising money for the charity, but also a way of uniting the local community by getting together, meeting the people that support us and having a good time too. The events have proved popular and are a huge part of the success of the charity in raising funds and the awareness of the charity.

A heartfelt thank you to everyone who contributed to the success of this event. Special Contribution from Louise and Jo in addition to the funds raised at the charity concert, we received a generous contribution of £1,000 from Louise and Jo at Lloyds in Burton.

THREE PEAKS WITH A TWIST

This year, we're proud to announce that our team conquered the Three Peaks Challenge in a way that reflects our mission of spreading smiles and creating positive change. For those unfamiliar, the Three Peaks Challenge involves summiting the highest peaks in Scotland, England, and Wales - Ben Nevis, Scafell Pike, and Snowdon - within a set timeframe. It's a test of physical endurance, mental resilience, and teamwork. While many have taken on this challenge traditionally, we at Miles for Smiles have put a unique twist on it. Instead of racing against the clock, we clocked up the miles, by cycling and walking between all 3 peaks!! While the traditional Three Peaks Challenge is an incredible feat, we believe that pushing our personal limits, amplifies the impact. Our team not only hiked the peaks but also engaged with local communities along the 400 mile cycling/walking journey, spreading awareness about our cause, and carrying out acts of kindness that reflect the heart of our mission.

ROOM ALTERATIONS...

With an army of volunteers we have transformed a local special need centre, which helps look after hundreds of local families with special needs. The toilets in the centre were not fit for purpose, so we called in our own DIY SOS team who gave the toilets a makeover! A collective team effort!!

PART OF THE MILES FOR SMILES FAMILY

We firmly believe that a little kindness goes a long way. If you're as passionate about spreading smiles as we are, there are plenty of ways to get involved. Whether it's volunteering your time, making a donation, or simply spreading the word about our cause, your contribution matters.

Santa Express at Statfold – November 2024

The trustees decided to unite all our families and treat them to a day out at a local country park, offering a Santa Express experience. This gave us all the opportunity to meet all the families we had helped and for other families in similar circumstances to meet up and not feel like the odd ones out. It allowed them to discuss their experiences whilst still having a great time and forgetting about all their illnesses. It proved to be a great success and we received lots of positive feedback.

We were fortunate to have the support of the local community who held fundraising events throughout the first 18 months to help us carry out our work, these included

Plans for 2025

Below are some plans for the next 12 months

- The music festival was a great success and it has been decided to hold another one in May 2025 at the same venue
- The first 18 months as a charity was extremely busy and at times left us pushed so it was agreed that we would not hold as many events in the coming year
- Further policies to ensure to be created and approved and to be acknowledged on the charity commission page
- Design a new website
- Design new Charity Flyers
- Create new stickers for the donation buckets
- Have a further Golf Day in 2025
- Hold a Quiz Night
- Get a landline telephone number for the charity
- Enlist more Volunteers
- Revise the Charitable Purpose

Summary

The first 18 months as a charity has been both challenging and rewarding for all our Trustees. We have learnt some valuable lessons and these will help us grow as a charity moving forward.

We are very proud that the hard work we as trustees and Volunteers have put into the charity, and have made the lives of our families a little happier.

The support of our local community and businesses has been huge and without this, we wouldn't have achieved the things we did in our first 18 months.

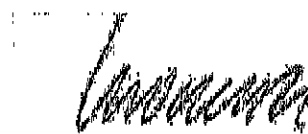

Over the 12 months we helped 48 families and 3 organisations. Our support for these organisations in turn helped over 210 children.
