OBJECTIVES AND ACTIVITIES

The charity was established under a trust deed dated 18 July 2023 and was registered as a Charitable Incorporated Organisation (CIO) on the same date.

The objectives of the trust are to ensure :

- The advancement of the Christian faith, in particular charitable missionary work within the United Kingdom and worldwide, and to relieve person who are in conditions of need or hardship, or who are aged and sick by use of our financial and human resources.
- The proclamation and furtherance of the Christian faith through the preaching of the Bible.
- Teaching, preaching and pastoral care of people in the community and city.
- The relief of persons who are in condition of need, hardship or distress, or who are aged or sick, both locally and in other countries.

ACHIEVEMENT AND PERFORMANCE

The activities carried out to date are commensurate with the objectives and aims of the charity.

The trustees have delegated day to day management to and are taking advice from Shailesh Parmar and Shaileshkumar Macwan who are the elders of the Church. Shailesh Parmar is supported full time by the trust for his Pastoral role.

When planning our activities for the year the trustees have considered the guidance on public benefit. The main activities have included: .

- The trust has achieved provision of public benefit in a practical way as well as a spiritual one. This has been done within the church, within the community, online and through the media.

- The trust led local outreach events during Christmas time and during the summer days. These events were used as an outreach to the local community with a provision of a safe environment and opportunities were taken to share the gospel.
- The trust works very closely with St Lukes Mission Church (part of Church of England) and also uses its building as a base to meet and invite people for one to one counselling.
- The trust has contributed financially to 'Ministries Without Borders' to support them take the message of hope (the gospel) to a needy and dying world and also help the countries affected by natural disasters.
- Financial and other supports have been provided to those in need; including individuals in crisis due to the rise of living costs and projects as identified by Ministries Without Borders.
- The Trust also financially supported the local community and church members. Support has also been given both spiritually and pastorally to help families wellbeing and faith in Jesus at difficult times.
- The trust also supported families, young adults and students to attend a countrywide conference (within Ministries Without Borders) to provide training, spiritual growth and pastoral support.
- Finally, the trust has provided financial support to those in need or hardship by giving to individuals and projects in other countries in particular Pakistan, India and Cuba.

The trustees are pleased to report that income levels have been at a satisfactory level which will allow the trust to achieve its objectives in this financial year.

All funds were raised by regular giving by church members through their voluntary contributions through tithes and offerings, as well as gift aid claims from HMRC. In order to minimise the handling of cheques and cash, most donations have been encouraged to be made via bank transfer.

In the event of unforeseeable circumstances in the future, we aim to keep certain amount of money in the bank to carry forward to the following year, in order to continue to fulfil the charitable purpose of the Trust.

The charity continues to hold a trust account at NatWest Bank, 275-277 High Street, Hounslow, Middlesex, TW3 1ZA.

The charity's insurance broker is Hine Insurance Brokers Limited, 79 – 81 School Lane, Didsbury, Manchester, M20 6WN, who have set up the charity's liability insurance.

All social action initiatives that involved any gathering of people, followed Risk Assessments and Safeguarding Policies.
