Activity During 2024

During 2024 the trustees, a dynamic group of people drawn from Morpeth Parish and the wider community, launched an Appeal - Raising the Roof. This is an appeal to raise funds to preserve the shell of the building and make sure it is weather tight so that current activities can continue. The funding will protect and repair a significant landmark building in Morpeth's conservation area. The roof repairs are the first step in upgrading the building to house the wider vision to create a vibrant centre for the children and young people of Morpeth and the surrounding area.

The appeal has been well received by funders and the trustees are now waiting to hear the results of their applications.
