## Objectives and activities

Charitable purposes

THE OBJECTS OF THE CIO ARE: TO ADVANCE THE CHRISTIAN FAITH FOR THE BENEFIT OF THE PUBLIC THROUGHOUT ENGLAND IN ACCORDANCE WITH THE STATEMENT OF FAITH BY PROVIDING FACILITIES FOR CHRISTIAN WORSHIP, PRAYER, RELIGIOUS EDUCATION, BIBLE STUDY, OUTREACH AND PASTORAL CARE FOR THE LOCAL COMMUNITY.

Summary of the main activities in relation to these objects

MT. Shiloh Baptist Church has undertaken a careful review of the Commission's guidance regarding public benefit, with particular attention paid to the requirements for religious charities. This approach ensures that the church remains compliant with relevant regulations, while at the same time upholding its commitment to community service and the core values of faith.

The church is dedicated to creating opportunities for members of the community to actively participate in and strengthen their faith. These opportunities are provided through a range of initiatives, which include:

- Worship and prayer, alongside learning about the Gospel and encouraging deeper knowledge and trust in Jesus.
- Delivering pastoral care services to assist and strengthen the local community.
- Missionary and outreach work, aimed at extending support and engagement beyond the immediate congregation.

## Achievements and performance

### Summary of the main achievements of the charity during the financial period

Throughout the year, Mt Shiloh Baptist Church has provided a variety of services designed to support and enrich the community. These services have taken place both during the week and across the annual calendar, ensuring ongoing engagement and opportunities for spiritual growth. The church's offerings have been consistently valued by members of the community, who have found them not only beneficial in a practical sense but also uplifting and spiritually fulfilling.

Notably, the church's mid-week prayer meeting had fostered a quiet, intimate, and reflective atmosphere for worship. This setting allows individuals to find peace, connect with their faith, and participate in meaningful communal worship in a supportive environment. Additionally, the church offers individuals the chance to participate in vibrant worship during its annual conferences, which are conducted over three days in July (*before registration*) and one day in October.

This year, we have successfully welcomed more families and individuals as members of the congregation or as regular visitors. Our church has celebrated and participated in baptisms (public dedication to their faith), ordinations (promotion in their faith), and christenings (God's blessing of infants) as part of our ongoing commitment to meaningful spiritual ceremonies.

## Financial review

### Brief statement of the charity's policy on reserves

The Trustees have implemented a Reserves Policy to ensure the church can operate efficiently and fulfil its commitments should there be a reduction in income or an unexpected significant expense.

After assessing potential risks related to fluctuations in income and expenditure, the Trustees have determined that an appropriate reserve level is approximately £600. At the end of the financial year, the balance of unrestricted funds was £440 after allocations, which fell short of the established target.

**Financial review of the charity**

The Church maintains its fundraising efforts internally, relying exclusively on its members and congregation to support its ongoing activities. No external or public solicitation for funds was conducted during the year.

The Church relies significantly on its members serving as volunteers across various activities. These contributions often require minimal financial expenditure yet play a vital role in fulfilling the Church's core objectives.

The accompanying financial statements present the financial outcomes for the period, along with a summary of the adopted accounting policies.

## Other optional information
