## Objectives and activities

Charitable purposes

THE OBJECTS OF THE CIO ARE: TO ADVANCE THE CHRISTIAN FAITH FOR THE BENEFIT OF THE PUBLIC THROUGHOUT ENGLAND IN ACCORDANCE WITH THE STATEMENT OF FAITH BY PROVIDING FACILITIES FOR CHRISTIAN WORSHIP, PRAYER, RELIGIOUS EDUCATION, BIBLE STUDY, OUTREACH AND PASTORAL CARE FOR THE LOCAL COMMUNITY.

Summary of the main activities in relation to these objects

The charity has reviewed the Charity Commission's guidance on public benefit, particularly for religious charities, to ensure compliance while advancing its charitable purposes through faith-based community service.

The charity provides public benefit through:

- Public worship, prayer, and Gospel teaching to support spiritual growth.
- Pastoral care and support for individuals and the local community.
- Missionary and outreach work extending support beyond the congregation.

These activities continue to promote spiritual enrichment, community support, and public benefit in line with the charity's objectives.

## Achievements and performance

### Summary of the main achievements of the charity during the financial period

During the reporting period, the charity made significant progress in advancing its charitable, ministry, and community objectives in the UK and internationally. Key achievements included strengthening ministry partnerships and affiliations, expanding international outreach through church development work in Jamaica, and supporting outreach, youth programmes, and overseas mission activity.

The charity successfully organised special ministry events and conferences, extended its ministry through preaching engagements in the UK and abroad, and supported theological education through partnership with an International School of Ministry and Bible Institute.

Regular worship services, prayer meetings, conferences, and spiritual support activities continued throughout the year, contributing to community wellbeing, spiritual development, and public benefit.

## Financial review

### Brief statement of the charity's policy on reserves

The Trustees have adopted a Reserves Policy to support the charity's ongoing operations and manage potential financial risks. During the reporting period, the charity's net position was negative, and reserves remained below the target level.

### Details of any deficit

N/A

### Financial review of the charity

This position is currently under review by the Trustees as part of planning for the next financial year, with risks being assessed and measures being considered to strengthen the charity's financial sustainability and address the reserves position.

The charity continues to be supported primarily through internal giving and volunteer contributions, with the accompanying financial statements setting out the financial results for the period.

## Other optional information

The charity was originally registered as Mt. Shiloh Baptist Church of God. Following changes in personnel, operations, and organisational structure, including a division within the church, Bethel House of Prayers International began operating as a ministry in Spring 2024.

In Winter 2023, the church temporarily relocated due to its original building requiring repairs, and subsequently continued operations from the new premises.

Bethel House of Prayers International now functions as the main operating expression of the charity, continuing and developing the charity's work following the split. It represents a continuation of the existing charity rather than a separate entity.

Existing governing documents have largely been retained, with amendments made to reflect the updated structure, while trustees reviewed and agreed the charity's long-term direction prior to formalising changes. This transitional arrangement ensured continuity in governance and operations during the restructuring process.

## Declaration

The trustees declare that they have approved the trustees' report above.
