Structure, Governance and Trustee Responsibilities

House of Prayer Empowerment is governed by its Board of Trustees, comprising George Ankomah (Chair), Lucky Addai, and Johnson Osei Agyemang. The Trustees are responsible for setting the strategic direction of the charity, establishing policies, and ensuring their effective implementation.

The Trustees oversee the overall management and administration of the Church and may exercise all powers necessary to fulfil these responsibilities. They work collectively to ensure that all activities are carried out in alignment with the charity's mission and objectives, while maintaining appropriate governance standards and compliance with relevant regulations.

Each Trustee is required to act in good faith and in a manner, they reasonably believe will best further the purposes of the Church. Trustees are expected to exercise appropriate care, skill, and diligence in carrying out their duties, considering the specific circumstances of the charity. In fulfilling their

responsibilities, Trustees apply any relevant knowledge, experience, or expertise they possess. Where acting in a professional or business capacity, they are expected to demonstrate the level of care, skill, and competence reasonably expected within that field.

Day-to-day operations and ministry activities are supported by church leadership and volunteers, who play a vital role in delivering programmes, organising services, and supporting community engagement initiatives.

The Trustees would also like to express their sincere appreciation to all those who have contributed to the work and growth of the charity, both in-house and online. We extend our gratitude to our donors, volunteers, department workers, and members for their continued support and commitment. Special recognition is given to the leadership of the church and their families for their dedication and service throughout the year.

During 2025, the charity benefited from various forms of support, which have contributed significantly to its development and overall impact. The charity has also remained committed to supporting its members both morally and financially where necessary, in line with its charitable objectives.

Review of Activities and Achievements

The reporting year has been a significant and productive period for House of Prayer Empowerment. A key milestone has been the intentional development and implementation of robust systems, structures, and leadership frameworks to support the continual growth and long-term sustainability of the church, both spiritually and operationally.

Throughout the year, the charity has remained focused on building a strong foundation for future development while serving both its members and the wider Edgware community. The Trustees have prioritised initiatives that respond to the practical, spiritual, and social needs of individuals and families, particularly in the context of ongoing economic challenges.

A range of programmes and initiatives were developed and delivered to support the community. These included activities aimed at promoting financial awareness, emotional wellbeing, and spiritual development. The charity has adopted a holistic approach, ensuring that support provided is both relevant and impactful.

In addition to internal programmes, the charity has strengthened its engagement with the local community through giving initiatives. Through outreach activities and collaboration with local organisations, it has worked to build meaningful relationships and contribute positively to the wider society. These efforts reflect the church's commitment to delivering lasting value beyond its immediate congregation.

The impact of these activities has contributed to the growth of a supportive and engaged community. The Trustees are encouraged by the progress made during the year and remain committed to building on these achievements.

Church Activities and Events

Throughout the year, House of Prayer Empowerment has maintained a strong focus on community engagement through a variety of gatherings, including outreach initiatives, monthly events, weekly Sunday services, and Bible studies. These activities have become integral to the life of the church and have had a meaningful impact on both members and the wider Edgware community.

Outreach and Community Engagement

The charity has actively extended its support beyond the church through outreach initiatives. These efforts have included evangelism, praying for individuals, and building meaningful connections with local organisations and community groups.

Through these activities, the church has been able to reach individuals in need, provide spiritual support, and strengthen its presence within the local community.

Sunday Services

Weekly Sunday services remain central to the church's activities and serve as the cornerstone of its spiritual community. These gatherings provide a dedicated space for worship, reflection, and spiritual nourishment.

Through music, teaching, and communal prayer, attendees are encouraged to deepen their faith and apply Christian values in their daily lives. These services also foster a strong sense of unity and belonging among members.

Bible Studies

Complementing Sunday services, Bible studies offer a more intimate and interactive environment for exploring scripture. These sessions are typically conducted in smaller groups to encourage participation, discussion, and reflection.

Bible studies have become a key avenue for spiritual growth, while also providing a supportive environment where members can build meaningful relationships and encourage one another.

Monthly Events

A range of monthly events has been organised throughout the year to meet the diverse needs of the congregation. These include prayer meetings, Bible study sessions, and occasional recreational activities.

In addition, leadership training sessions are held monthly for core church leaders. These sessions are designed to strengthen leadership capacity, provide guidance, and ensure alignment with the church's vision and values.

Quarterly Activities

Leadership Training (Wider Volunteer Group)

Leadership training is also conducted every three months for the wider volunteer group. These sessions aim to equip volunteers with the skills, knowledge, and spiritual understanding required to effectively support church activities and programmes.

Annual Events

Flames of Fire Conference

A key highlight of the year was the *Flames of Fire Conference*, which attracted over 130 attendees across two days. This event provided an extended time of teaching, worship, and prayer, creating an environment for spiritual renewal and development.

The conference continues to play an important role in the life of the church, contributing to both individual growth and the strengthening of the wider community.

Impact

The collective impact of these activities has been significant. Through consistent engagement and a variety of programmes, the church has witnessed the strengthening of community relationships and the personal development of its members.

These gatherings have fostered an environment where individuals are supported, encouraged, and empowered. As the charity looks ahead, it remains committed to building on this foundation and continuing to make a positive and lasting difference in the lives of those it serves.

Pastoral Care and Development

House of Prayer Empowerment is committed to supporting the spiritual, emotional, and personal development of its members through a balanced approach to pastoral care and teaching.

The church delivers a range of learning opportunities designed to strengthen understanding of the Christian faith. Through organised sessions, including workshops, seminars, and group discussions, members are encouraged to engage with biblical teachings and develop a deeper appreciation of Christian principles. These sessions provide a foundation that enables individuals to grow in confidence and apply their faith in everyday life.

Alongside this, the church provides ongoing pastoral support through mentoring, discipleship, and guidance. This ensures that members receive personal care and encouragement throughout their spiritual journey, helping them to navigate challenges and grow in maturity.

The approach taken by the charity is holistic, recognising that true development extends beyond knowledge. Emphasis is placed on nurturing character, strengthening faith, and encouraging individuals to live out their beliefs in a practical and meaningful way.

Through these combined efforts, the church seeks to develop a community of individuals who are spiritually grounded, well-supported, and equipped to contribute positively both within the church and in the wider community.

TRUSTEES ANNUAL REPORT
26th July 2023 - 30th June 2024
House of Prayer Empowerment - 1204107

Overview

This past year has proven to be exceptionally rewarding and fruitful for our charity. Achieving official recognition and registration under the Charity Commission marked a significant milestone in our journey as a fledgling organisation. Our overarching goal has always been to lay down the groundwork necessary to build a sustainable church community, and securing this official status was a crucial step in that direction. Central to our mission has been the unwavering commitment to serving both the local Edgware community and our church members. Recognising and serving the diverse needs within our congregation, particularly among the millennial and Gen-Z cohorts, has been one of our top priorities. In light of the ongoing financial crisis and the myriad challenges posed by the current socio-economic climate, it has been imperative for us to extend our support and resources to these demographics.

We have dedicated considerable efforts to devising tailored programs and initiatives aimed at addressing the unique struggles and aspirations of our younger members. From financial literacy workshops to mental health support groups, our endeavours have been multifaceted and responsive to the evolving needs of our community. By fostering a sense of belonging and empowerment among our youth, we aim to cultivate a vibrant and resilient church community capable of weathering any storm. Furthermore, our commitment to the broader Edgware community extends beyond mere philanthropy; it is rooted in a genuine desire to foster meaningful connections and effect positive change. Through collaborative partnerships with local organisations and initiatives, we strive to amplify our impact and create lasting social change.

As we reflect on the past year's achievements and look towards the future, we remain steadfast in our dedication to building a more inclusive, compassionate, and sustainable future for all. With the unwavering support of our community and stakeholders, we are confident in our ability to overcome any challenges that may lie ahead and continue making a tangible difference in the lives of those we serve.

Meetings

Over the past year, we have focused on the community through a variety of gatherings, including outreach initiatives, monthly events, Sunday services, and Bible studies. These gatherings have not only become integral to our organisation but have also made a profound impact on the Edgware community at large. Our outreach efforts have allowed us to extend a helping hand beyond our church walls, reaching out to those in need through evangelism, praying for people and establishing meaningful connections with local organisations and initiatives. In addition to our outreach endeavours, our calendar has been filled with a diverse array of monthly events designed to cater to the varying interests and needs of our congregation. From prayer meetings, bible studies to recreational outings, these events have provided opportunities for fellowship, learning, and personal growth, strengthening the bonds of friendship and camaraderie among attendees. Our Flames of Fire conference last year

attracted an attendance of over 120 people for a time of teachings, worship and prayer. Central to our community engagement efforts are our weekly Sunday services, which serve as the cornerstone of our spiritual community. These services offer a sacred space for worship, reflection, and spiritual nourishment. Through uplifting music, inspiring sermons, and communal prayer, we seek to cultivate an atmosphere of reverence and connection, empowering individuals to deepen their faith and live out their values in their daily lives. Complementing our Sunday services are our Bible studies, which provide a more intimate setting for exploring the teachings of scripture and fostering meaningful relationships with fellow believers. By dividing into smaller groups, we ensure active engagement and create opportunities for deeper discussion and reflection. These Bible studies have become not only a source of spiritual growth but also a place for mutual support and encouragement within our community. The collective impact of our gatherings cannot be overstated. Through our concerted efforts, we have witnessed firsthand the transformative power of community, as individuals come together to support, uplift, and inspire one another. As we look ahead, we remain committed to nurturing these bonds of fellowship and continuing to make a positive difference in the lives of those we serve.

Education

As a ministry, we have placed a strong emphasis on education as a cornerstone of our mission. Recognising the importance of spiritual literacy, we have implemented various initiatives aimed at deepening our congregation's understanding of Christianity and its teachings. Through engaging workshops, seminars, and study groups, we have provided opportunities for our church community to delve into the rich tapestry of Christian theology and tradition. By exploring topics such as biblical interpretation, church history, and theological doctrine, we seek to equip individuals with the knowledge and tools necessary to navigate their faith journey with confidence and conviction.

Furthermore, our commitment to education extends beyond mere intellectual understanding to encompass spiritual formation and growth. Through personalised mentoring, discipleship programs, and pastoral care, we strive to nurture a holistic understanding of Christianity that transcends mere knowledge to encompass transformational experiences of grace and love. By empowering individuals to deepen their relationship with God and live out their faith in tangible ways, we aim to cultivate a community of disciples who are not only well-informed but also spiritually vibrant and empowered to make a positive impact in the world.
