DOROTHY MARY TWIGGINS CHARITABLE TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The Trustees present their report and the unaudited financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Objects and activities for the public benefit

The charity's objects are to make donations as the trustees in their discretion think fit to organisations regarded as charitable by the laws of England and Wales, in particular to charities that deal with the health and care of animals. The policies adopted in furtherance of these objects are in making donations to charities involved in this area.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the trust's aims and objectives and in planning future activities and in the planning of future donations and grants.

Achievements and performance

The charity was successful in maintaining an appropriate level of investments to continue to generate sufficient investment income to maintain current grant making policies.

Review of financial position and activities

The results for the period are set out on page 5.

Total income for the period amounted to £25,026 (2024: £1,278,497), which included unrestricted donations of £843 (2024: £1,267,642).

During the period the trust committed £59,500 (2024: £250,000) between the 7 charities it supports in respect of the year ended 31 March 2025.

After accounting for other costs, which amounted to £15,902 (2024: £12,447) for the period and portfolio management fees of £15,787 (2024: £19,697), the funds net deficit of £66,163 (2024: Surplus £996,353) before investment portfolio gains and losses is acceptable to the trustees. There were realised gains and unrealised gains on the investment portfolio of £9,863 and £7,122 respectively.

TRUSTEES' REPORT (CONTINUED) **FOR THE YEAR ENDED 31 MARCH 2025**

Reserves (including Reserves Policy)

At 31 March 2025, the charity's unrestricted reserves amounted to £1,005,645 (2024 : £1,054,823). The unrestricted fund represents the amount available for general charitable purposes at the discretion of the trustees. The trustees' intention is to keep reserves at levels sufficient to continue to provide income which will enable them to provide donations to approved applications, having regard to unforeseen volatility in investment market values. They believe the reserves position at 31 March 2025 was satisfactory.

It is the policy of the charity to ultimately maintain 'free' reserves (being that element of the unrestricted revenue reserve which is not funding investments) of approximately one year's running costs.

As at 31 March 2025 the free reserves of the charity amounted to £2,278 (2024: £4,387) . The trustees consider the closing level as sufficient to support their anticipated grant making expenditure in the following twelve months, including any unforeseen urgent charitable applications.

Designated funds at 31 March 2025 total £1,003,367 (2024 :£1,050,436) - see note 9 for details.

Investment policy

The trustees have wide powers of investment in accordance with the governing instrument (the charitable trust deed) and the provisions of the Charities Acts. In conjunction with the charity's investment advisors, the trustees approach the investment of funds in a cautious manner with the intention of maintaining the real value of the capital of the fund where possible, thus producing a realistic income from the capital which can then be distributed. Where appropriate, the trustees may distribute capital in furtherance of the objects of the charity.

Risk management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks. The funds invested and those held on deposit are subject to the compliance procedures of both the charity's investment advisors and Brachers LLP.

Going concern

The Trustees have no reason to believe that the charity will be unable to continue operating as a going concern (able to pay its debts and grant commitments as they fall due) for a period of at least 12 months from the date of approving these accounts.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE DOROTHY MARY TWIGGINS CHARITABLE TRUST

I report to the trustees on my examination of the accounts of the Dorothy Mary Twiggins Charitable Trust for the year ended 31 March 2025, which are set out on pages 5 to 12.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 'Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

1.1 Basis of preparation

The Dorothy Mary Twiggins Charitable Trust is a charity registered with the Charity Commission in the United Kingdom (England & Wales) (N° 1204125). The address of the registered office is Somerfield House, 59 London Road, Maidstone, Kent, ME16 8JH.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities Act 2011 and UK Generally Accepted Practice. The charity constitutes a public benefit entity as defined by the SORP.

The charity has opted not to prepare a cash flow statement for the financial period, as permitted by the 2019 Statement of Recommended Practice.

The financial statements have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Income recognition

Donations, legacies and other forms of voluntary income are recognised as income when receivable, except insofar as they are incapable of financial measurement.

Income from investments is recognised when receivable.

1.3 Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grant expenditure is recognised when awarded to the recipient. The expense is included on an accruals basis in the year in which a legal or constructive obligation to pay the grant arises.

Costs of raising funds are those investment management fees for both income generation and capital maintenance.

Charitable activities include expenditure associated with the making of grants and donations and include both the direct costs and indirect costs relating to these activities, on an accruals basis.

DOROTHY MARY TWIGGINS CHARITABLE TRUST

NOTES TO THE ACCOUNTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

1.3 Expenditure recognition (continued)

Irrecoverable VAT is charged against the category of resource expended for which it was incurred.

1.4 Investments

Investments are recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains/(losses) on investments' in the SoFA if shares are publicly traded or their fair value can otherwise be measured reliably.

Realised gains or losses arising on disposal are recognised in the Statement of Financial Activities (SoFA) when the proceeds are receivable.

1.5 Fund accounting

The funds held by the charity are unrestricted funds which can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds comprise funds which have been set aside at the discretion of the trustee for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

1.6 Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.7 Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010.

1.8 Going Concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. They believe the anticipated expenditure will be adequately funded given the existing level of reserves for the charity to be able to continue as a going concern.

1.9 Judgements and key sources of estimation uncertainty

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
