Director

The director who served the company throughout the year was as follows:
Johnson Afrane-Twum

Statement of director's responsibilities

The director is responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable director to ensure that the financial statements comply with the Companies Act 2006. The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board.

Notes to the Financial Statements
For the year ended 30 September 2024

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Fixtures and Fittings	20 Reducing Balance
-----------------------	---------------------

Investment properties

Investment properties are properties held to earn rentals and/or for capital appreciation. Investment properties should be recognised initially at cost and subsequently investment properties are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in profit or loss in the period in which they arise.

Your Company Tax Return

If we send the company a 'Notice' to deliver a Company Tax Return it has to comply by the filing date or we charge a penalty, even if there is no tax to pay.

A return includes a Company Tax Return form, any supplementary pages, accounts, computations and any relevant information. The CT600 Guide tells you how the return must be formatted and delivered. It contains general information you may need to deliver your return, links to more detailed advice and box-by-box guidance for this form and the supplementary pages. The forms in the CT600 series set out the information we need and provide a standard format for calculations.
