Significant Activities

During July 2023 to July 2024, along with its regular services and online activities, the charity also held its annual convocation and other community outreach events. Sadly, this did not seem to impact the wider community, as membership has decreased.

Public Benefit

The charity has provided, and some from the community benefitted from dry goods and other non-perishable items distributed. We have also held a feeding service on the 4th Sunday of the month for various months. Where the members and wider community were fed during the service, while encouraging and facilitating questions and feedback.

The men's department held a successful gathering where members and the wider community were encouraged about talking to people to lower suicide among particularly black men. They were encouraged to keep open lines of communication and to seek help when needed.

The charity continues to outreach to the community through movie nights, games evening, fellowship sessions and other events to engage the community. There are weekly programs and trainings and teachings accessible to not only members of King's Chapel, to also the local community. To aid with overheads, some programs are held online.

The charity also aided children through Compassion UK, by monthly donations.
