Reserves Policy

Informed by an appraisal of funding risk of the board of trustees pursued its policy whereby unrestricted reserves, not committed or invested (the 'free reserves'), held by the Charity would be increased whenever possible to cover at least three months of the Charity's operation. At this level, the board of trustees assess they would be able to scale the activities of the Charity should there be a significant reduction in funding. This remains one of the Trustees' key objectives for the coming year.

Plans for Future Periods

The Board of Trustees plans to grow and extend the Charity's activities in the forthcoming year. Plans are also being developed and implemented for several initiatives to increase the Charity's social value and impact.
