Introduction

This Annual General Meeting (AGM) report for 1st Denmead Scouts forms part of a compulsory yearly meeting of the Group Scout Council with important legal aspects and key, mandatory business that must be covered.

All charities must have a governing body; and the Group Scout Council is ours in Scouting. For 1st Denmead Scouts it is important to ensure the appointed Trustees (Board of Trustees) are working for the good of the charity.

This document is designed to provide the Group Scout Council members an overview of the activities and events held by the Group over the past year. The Group Leadership will report on Scouting activities that the young people have been involved in, the overall running and governance of the Group providing details to make sure, with reasonable care and skill, that the charity is:

- well managed
- carrying out its purposes for the public benefit
- complying with the charity's governing document and the law
- managing the charity's resources responsibly

Group Chair Report

As we reach the end of another year of Scouting in Denmead, it gives me great pleasure to report back to you all that it has been another fantastic year, one of continued growth and transformation.

As Trustees it has been our collective responsibility to look after the governance of the Group including the Group financials, risk management and any necessary legal, compliance or charity requirements. The Trustees work supports the volunteer leaders to run the Scout programme that gives your young people 'skills for life'.

At 1st Denmead we are very lucky to have an amazing group of Trustees and I'd like to thank the Trustee team for their support throughout the year. Although we have had a fairly smooth year, the Board of Trustees still continues to grapple with a few ongoing challenges and are planning accordingly, such as an almost 100% increase in external utilities costs.

Once again it has been a busy year for the Group, strengthening our relationships with the community and aligning the Group to a new way of 'Operations and Governance' as part of the Scouts transformation programme.

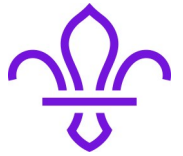

I'd like to report back on two key activities of this past year:

New Scout HQ Lease Agreement

This has been an extremely slow process and unfortunately we have made very little progress since my last AGM report. We are now over 2 years into discussions with Denmead Parish Council and Fields In Trust but remain confident and committed to achieving the right outcome for the long term future and security of the Group.

New Scout HQ Project

- From a planning and design standpoint, the project as remained in a state of lull due to the lack of progress with the new Lease Agreement as this is a key component for any planning application.
- On the Fundraising side of the project, Ange and the fundraising team have done a fantastic job in raising a substantial amount of funds for the project.
- As soon as we are able, our intentions remain to have a Group wide open evening to showcase our plans and obtain feedback from all involved with the Group.

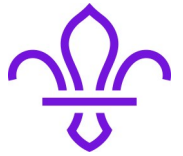

Group Chair Report

The Group continues to be in good financial health and Group Treasurer, Pam Allsop-Smith, will shortly take you through the Treasurers report and we will be able to answer any questions you may have.

As I hope you can see and agree with me, the team are doing amazing job and the Group is in a solid position has we head into next year.

Group Lead Volunteer Report

This report provides an overview of some of the activities and accomplishments of 1st Denmead Scout Group.

We currently have 148 youth members across 2 Squirrels Drey's, 3 Beaver Colonies, 2 Cub Packs and 1 Scout Troop.

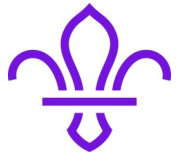

We have awarded an impressive **989 badges** across all 4 sections. With **9 Chief Scout Acorn** awards in Squirrels and **8 Silver Awards** in Cubs. These are the highest awards the young people can achieve in their sections and we are very proud of their achievements.

- **Squirrels** - Squirrels are our youngest section at Denmead and this year due to the success of the first Drey, we have opened a second Drey which is equally as successful and is running with new leaders. Two of our new leaders were youth members at Denmead and have returned as adult volunteers now they have their own children. The Drey launched in February and is just as successful as the first drey.

The squirrel sections are very busy with lots of art, outside walks, games and stories. The squirrels have enjoyed a trip to Marwell Zoo, the local nature reserve and the science museum.

Katie, of one of our lead volunteers has organised the first HAWK District Squirrel fun day. A big thank you to Katie and the team for taking on this challenge. It is great for the Squirrels to make new friends in other colonies and understand that they are part of a large organisation.

- **Beavers** - Beavers have had many opportunities to get out and about this year. They have enjoyed a two-night circus themed sleepover, visited the zoo, attended the County Mud Run event and even went forest bathing. The beavers visited the Grange Care Home again at Christmas working towards their community impact badge, giving out shortbread and singing Christmas songs with the residents.
- **Cubs** - Cubs have enjoyed a summer camp last August, a District camp in September and a Pack holiday in March providing so many opportunities to grow in confidence and independence. They have hiked a few times, made Christmas decorations, been to rock up and got very muddy at the County Mud Run, cooked Pizza outside and of course learnt how to make and build a fire safely.

Group Lead Volunteer Report

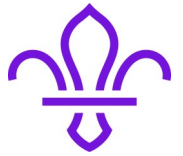

- **Scouts** - The section is going from strength to strength and is now so popular that we are opening a new troop in September 2025, allowing our cubs to move up and continue their Scouting journey. The scouts again enjoyed a trip to London for the live Monopoly Run with each team walking approximately 15km, unfortunately they did not win but at least it was dry this year. The scouts spent time on the water at Langstone Sailability on a beautiful sunny day. The Troop have visited a Mosque, the local tennis club and have hit a few balls at the Denmead driving range.

None of this is possible without all our amazing lead volunteers, team member volunteers, supporters, and Trustees. All these people work hard to provide your children with a varied weekly programme, camps, and days out and I thank them all.

In December 2024 a new IT system was launched by The Scout Association as part of a transformation programme to make volunteering easier and more appealing to all. A new way of training was introduced with all volunteers being asked to complete a more comprehensive safety and safeguarding module. While the system is not without its flaws, it will in time become easier. All our leaders must commit to training and on-going learning, safety, safeguarding and first aid are completed every 3 years. Without these modules being in date, a leader cannot remain in their role. I hope this offers you as parents' reassurance that the safety and well-being of you children is our top priority.

As a group we are growing, each week more children are added to our waiting list. We need more adult volunteers, especially in our Cubs section on a Monday night. If you think you might like to give it a try and join the fun, please do speak to me or any of the leaders. We offer flexible volunteering, so you don't need to commit to every week!

Finally, a big part of our ethos is to be present in our community. We have once again, run the biggest event in Denmead, Dinosaur Derby which raises valuable funds for the Group. All Saints kindly let us use their car park for the Christmas Carols, even though this year the weather was not kind and we had to cancel this event. Of course, a highlight for many of the children in the village is when Santa makes his visit.

Group Lead Volunteer Report

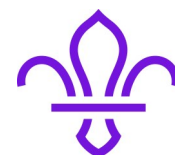

We also organised the village Remembrance parade along with the church and DPC and attended many events with the trolley run. Thank you to Lisa and Ange for organising these events and fundraising activities.

Thanks to the recycling team who continue to sort and ship the plastic waste, bras, spectacles to name a few. Reducing the amount of waste that goes to Landfill.

Please support us by attending one of our events. Bingo Ben will be back as will quiz and camel racing nights and who can forget our swishing night where clothes are saved from the bin! A really easy way to support our fundraising is to add your old clothes in the clothes bank bin in the car park. Every item helps and is by far the easiest way to raise valuable funds.

Group Treasurer Report

Firstly, I would like to thank the Section Treasurers – Claire, Emma and Ange – for their hard work during the year and for getting their accounts ready for audit. We have decided to close the section accounts as we are now using prepaid cards for these expenses.

The accounts have been finalised and signed off by the Independent Examiner. The summarised reports have been distributed, with the full accounts available for inspection.

Our annual Dinosaur Derby once again took place in September, with the weather being much kinder than last year, generating net funds for the group of £6,123. We have been very busy throughout the year with multiple other fundraising events including the lottery, quiz's, camel racing, bingo, dog shows and games cafés to name a few, which has enabled us to add £17k after expenses to our new building fund. At the end of the year this stood at £62,670 – thank you all for your support!

Through careful management of our funds (excluding fundraising) we again achieved a small in year surplus enabling us to continue to offer an exciting and challenging programme of activities for our Young People.
