## Chair's Report

This is the first annual report prepared by Hull Red CIO's trustees for the charity commission. The organisation was previously governed as a Community Interest Company and converted to a Charitable Incorporated Organisation on the 23 August 2023. As such the period reported on in this report includes a small portion of our accounting year as a CIC and our first nine months as operating as a CIO, and therefore 2023-2024 is Hull Red CIO's financial conversion year.

This year was a busy year for Hull Red. In preparing for the conversion to CIO the trustees completed a full review of the governance arrangements of the organisation; including revision of the policies, review of insurance arrangements, a review of banking arrangements and finance procedures, review of trustee skill mix, and preparation for the employment of the organisation's first member of staff.

Hull Red has been proud to continue its long history of providing nightclub events for adults with learning disabilities, with 5 events being hosted in this period. The organisation of the events has been taken over by a group of volunteers, of which most have lived experience of disability. They now lead the planning of the events, and are supported in the delivery of those events by a large group of regular volunteers.

In March 2023 (just before the beginning of this reporting period) Hull Red took on the social franchise for Gig Buddies Hull and East Yorkshire, and welcomed their first part-time member of staff in the role of Gig Buddies Project Lead. Gig Buddies is a befriending scheme that matches people with and without learning disabilities on the basis of shared interest, with the aim of supporting people to be able to get out to gigs of their choosing. Over the course of this reporting period there has been significant focus on fundraising for the project to allow for an increase in staffing so as to be able to reach and support more participants. The project was initially maintained on a very small budget, but good news was received in May 2024 that we had been successful with a bid to the National Lottery's Reaching Communities grant, which will enable significant growth over the next three years.

## **Trustee's Report**

### **Structure, governance and management**

#### **Governing Document**

Hull Red is constituted as a Charitable Incorporated Organisation using the Foundation Model Constitution. Its only voting members are its charity trustees. The constitutional governing document was adopted on the 23 August 2023 when the charity was entered onto the Register of Charities, and has not been amended since that date.

#### **Organisational Structure**

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits. The trustees meet every other month. They are responsible for overseeing the running of the activities undertaken by the charity, and ensuring that the charity is acting to further the stated charitable objectives, is working within the governing document, and is maintaining good operational and financial governance.

To assist the smooth running of the charity, the trustees have set up a number of sub-committees that help them oversee certain aspects of the charity's work. Sub-committees are currently set up for finance, volunteering, and fundraising. These sub-committees report back to the full meeting of trustees with their recommendations.

The day-to-day management of the projects undertaken by the charity are delegated to staff and volunteers. An Operational Manager, who offers their time without remuneration, provides support to the staff and volunteers and reports to the board of trustee on a bi-monthly basis.

#### **Recruitment and appointment of trustees**

The existing trustees are responsible for the recruitment of new trustees. They work to ensure that the board hold the range of experience, knowledge and skills required to effectively administrate the CIO. The charity's first trustees began their stated terms of appointment on the 23 August 2023 when the charity was incorporated. There have been no new appointments since the charity's incorporation.

#### **Induction and training of trustees**

Prior to the incorporation of the charity, the first trustees were given copies of the governing document, and agreed the policies and procedures to be adopted by the charity.

They completed training from the NVCO on the roles and responsibilities of trustees, and reviewed publications from the Charity Commission, including the guidance on charities and public benefit. This was to ensure that the first trustees were aware of the scope of their responsibilities under the Charity Act.

## **Risk Management**

The trustees have a risk management strategy which comprises:

- An annual review of the risks that the charity may face
- The establishment of systems and procedures to mitigate those risks
- The implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

The trustees are satisfied that systems are in place to manage the risks that have been identified. In particular, insurance cover is in place and the finances of the charity are kept under regular review. Appropriate safeguards are in place for adults at risk supported by the charity, supported by regularly reviewed policies and DBS checks for the necessary roles.

## **Objectives and activities**

### **Our aims and objectives**

The charitable objectives of the CIO are:

*‘To promote social inclusion for people with learning disabilities or other disabilities, in Hull, the East Riding of Yorkshire. And elsewhere, for the public benefit; by preventing people with such disabilities from becoming socially excluded, relieving the needs of those people who are socially excluded, and assisting them to integrate into society.’*

We describe our mission as:

*‘to increase social opportunities for adults with learning disabilities, particularly around music, nightlife and gigs’*

Our aim is to support adults with learning disabilities to access the social opportunities of their choosing and in doing so widen their range of social supports, thus reducing loneliness and social isolation.

In shaping our objectives and planning our activities, the trustees have considered the Charity Commission’s guidance on public benefit, including the guidance on public benefit and fee charging. The charity relies primarily on grants, with fees for the nightclub events

covering a portion of the operating costs. In setting the entrance fees for the nightclub event the trustees give careful consideration to the accessibility for those on low incomes.

## **Strategies**

The strategies employed to achieve the charities aims and objectives are:

- Hosting nightclub events aimed specifically at adults with learning disabilities and other disabilities
- Providing the Gig Buddies project for Hull and East Riding; supporting the development of friendships between people with and without disabilities to help them get out and enjoy gigs together

## **Activities and achievements**

- **Hull Red Events**

Hull Red nightclub events are organised by the Hull Red Events Organising Committee, comprising of people with lived experience of disability and attendees of the events. The Committee act on a voluntary basis, meeting every other month to plan the events. The events are supported by a wide group of around 60 volunteers, who are themselves supported by one of the trustees.

Hull Red events have hosted 5 nightclub events over the year. Each event has included live music and DJs. The nights typically attract audiences of between 200 and 250 people.

Feedback has been gathered via discussion boards at events and via social media. The nights continue to be responded to positively by attendees and are attended by people from across Hull and East Yorkshire, and others travelling from near York.

- **Gig Buddies**

Gig Buddies is a befriending project that runs as a social franchise. Hull Red hold the franchise for Hull and East Yorkshire. The project matches people with and without learning disabilities who enjoy the same kind of gigs, and supports them to attend gigs together. It involves volunteer recruitment and training, participant recruitment, matching, and on-going support for the matched pairs. The project runs a monthly music and social night that acts as the hub of activity and a regular meeting and drop-in space for participants and

volunteers. Smaller groups of participants also meet on a regular basis for ad-hoc social events.

The Gig Buddies Project Lead has been working on a part-time basis throughout 2023 and 2024 to maintain the project's previous level of activity, whilst we have been seeking funding for the next phase of growth.

At the end of the reporting period the project has 15 signed up participants with learning disabilities and 12 enrolled volunteers, with 8 matched pairs. Each monthly music night attracts around 30 attendees.

In 2024 Gig Buddies started their own band; with regular participants meeting every other month for band practice and the aim of being able to perform at events in the future.

The Gig Buddies Project Lead, along with groups of participants, has undertaken a number of outreach activities to increase awareness of the project, attract new participants, and support with accessibility awareness. For example, running a stall at two of Hull's community festivals (Freedom Festival and Pride), having a presence at college events, working with Freedom Festival on their accessibility strategy, and working with Hull City Council on their Music Strategy and planning a city-wide music and well-being conference.

A group of Gig Buddies also completed a 6-week consultation and accessibility review for The Warren (a local youth centre) which brought in a small income for Gig Buddies and also helped the Warren to be successful with a significant grant to modernise their building and support their work.

## **Fundraising**

The fundraising sub-group has been active over the last year to submit multiple grant applications. In total 10 grant applications were submitted, for planned activity in 2023/24, 24/25, 25/26, and 26/27. Six applications were successful, two unsuccessful, and two have yet to be considered. A total of £264,114 has been raised in grants to be spent on restricted activities (Hull Red Events and Gig Buddies) over the next three years. This represents a large proportion of the funds required to meet our activity targets.

The largest grant was awarded by the National Lottery Reaching Communities grant, to support the development of Gig Buddies over the next three years, with a particular focus on development in the East Riding.

## **Financial review**

During this financial year Hull Red ceased to be a CIC and instead became a CIO. This means that the year 2023-2024 becomes Hull Red's conversion financial year. The impact of this on preparing the accounts has been that the prior year's company accounts have needed restatement as if we were already a charity and the current year's financial accounts have been prepared on the same basis.

When preparing the first accounts for a CIO these must comply with the Charities SORP as if the entity had always been a charity, including full comparatives, even if the entity was only a charity for part of the current year.

In year, income was been slightly less than expenditure. We have spent £2,891 more than income and end the year with funds carried forward of £39,900. However, this has been incurred in the knowledge that Hull Red had secured substantial grant support to be received over the following three years.

All trustees are aware of their responsibilities around finance, and a review of income and spending is a regular item at each trustee meeting. Our Treasurer is a Fellow of the Chartered Institution of Public Finance Accounting, bringing a significant level of expertise to the trustee group.

## **Reserves policy**

During this year a reserves policy has been developed to reflect the plan to employ more staff to carry out the increased funded activities described above. This is to build in resilience in case of a funding disruption and in the worst-case scenario would allow a managed wind up of the charity.

## **Plans for 2024/25**

- Hull Red Events

Over the coming year, Hull Red Events will host a further five nightclub events with bands and themes decided upon by the organising committee.

- **Gig Buddies**

With the grant awarded by the National Lottery Reaching Communities fund, our plans for the next three years involve growing the Gig Buddies project for Hull (where it has been based to date) and increasingly in the East Riding. Our aim is to employ a full time Coordinator for the project in the autumn of 2024, and for the Gig Buddies Lead to move to full time hours in the summer of 2025. Together they will focus on developing the reach of the project; building new connections, recruiting new volunteers and participants, matching new pairs, and supporting an increased number of people with learning disabilities to access social opportunities of their choosing.

- **Nice Twice**

Nice Twice is a campaign that was launched in 2023 led by citizens of Hull. The campaign grew from a Mencap funded grass-roots community development project. The Mencap project provided seed funding for communities to develop their own solutions to the barriers they identified. In Hull the issue that the community most wanted to address was venue and arts accessibility; so the project aimed to improve venue accessibility and inclusion by providing bespoke non-judgmental and encouraging support to the arts scene in Hull.

The Nice Twice Club is run by a group of people with different lived experience of disability. Arts venues in Hull can sign up to become part of the 'Club', which offers likeminded venues, with shared values, access to inclusion resources, bespoke advice, and support directly from people with lived experience.

In December 2023 the Nice Twice group approached Hull Red to see if Hull Red would be able to host them for the next year, as the time with Mencap was coming to an end. The trustees considered the request and it was agreed that the project, along with its legacy funding will join Hull Red from July 2024. The trustees feel confident that Nice Twice will support the organisation in meeting our charitable objectives.

### **Statement of Trustees' responsibilities in relation to the financial statements**

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable that the financial statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Independent examiner's report on the accounts

## Section A

## Independent Examiner's Report

### Report to the trustees

Charity Name:  
Hull Red CIO

### On accounts for the year ended

31 May 2024

Charity no  
(if any)

1204452

### Set out on pages

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 05/ 2024**.

### Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

~~[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [ ] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below \*) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
