Sandwell Lions Club CIO

Sandwell Lions Club CIO has been in existence since 2009 and these accounts are it's second submission to the Charity Commission in respect of it's CIO Status.

During the year July 2024 – June 2025, the club continued to serve it's local, national and international community with regular acts of service and financial contributions to a variety of good causes.

We have continued to hold Prostate Cancer Screening events, and in association with Fixed Wheel Brewery, a regular Quiz Night is being held, raising valuable funds to subsidise the cost of the tests. The club also received a donation of £600 from CPN Systems, which went towards the cost of the subsidised PSA Tests.

Our Santa Sleigh runs continue to be the main source of income for Sandwell Lions Club – an event that it's members and their friends really enjoy. Sleigh maintenance attracted quite a big investment – however, it will secure the future of the sleigh as a fundraising asset.

Sandwell Lions Club CIO

Sandwell Lions Club has been in existence since 2009 and has recently become a CIO. This is its first submission as such. During the period 24/08/2023 to 30/06/2024, the club continued to serve its community, through regular acts of service, that didn't require a financial contribution, such as litter picks and developing a community garden in the local area.

We held a Prostate Cancer Screening event in association with the Graham Fulford Trust, where we tested approximately 40 gentlemen, with 3 identified as being of a high-risk and further investigation was required.

A purchase of a cooker was provided to a family in crisis and we supported many larger charities and organisations with donations.

Successful Santa Sleigh Runs were the main source of income during the period. We were also delighted to receive a donation towards our work from CPN Systems – a local technology company.
