Report of the Trustees for the year ended 31 December 2024

The trustees present their annual report and financial statements for the year ended 31 December 2024. The trustees confirm that these accounts comply with the Charities Act 2011, the charity's constitution, and the Charities SORP (FRS 102).

Structure, Governance and Management

Public Benefit Statement

The trustees have had regard to the Charity Commission's guidance on public benefit in fulfilling their duty to further the charitable purposes for the public benefit. The activities described in this report are designed to deliver benefits to the public through the advancement of religion, the relief of hardship, and the advancement of

education, as detailed in the 'Objectives and Activities' and 'Activities and Achievements' sections.

Going Concern

The trustees have assessed the charity's financial position and its ability to continue as a going concern. After making enquiries, they have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Governing Document

Betleem Romanian Pentecostal Church is a Charitable Incorporated Organisation (CIO) registered with the Charity Commission. The charity is governed by its constitution, which was formally adopted by the members on 18 June 2023. This constitution supersedes the initial Trust Deed dated 1 November 2021 and sets out the charitable purposes, powers, and operational framework.

Governance costs

The trustees are committed to strong governance and strategic oversight. The majority of trustees served in a voluntary capacity and received no remuneration for their services during the year.

No payments were made to trustees for their governance duties. All strategic oversight, compliance activities, and trustee responsibilities were undertaken on a voluntary basis.

In the interest of full transparency, and in accordance with the SORP's requirements for disclosing related party transactions, we note that one trustee, Rev Corneliu Nistor, is also employed by the charity under a separate contract for his services as Pastor and spiritual leader.

The remuneration of £9,736 paid to him during the year relates entirely to his pastoral duties and is recognised in the accounts as a direct cost of charitable activities, as it is wholly attributable to the delivery of worship services. No part of this remuneration was for his services as a trustee.

Organisational Structure

The charity trustees are responsible for the general control and management of the administration of the Church. The trustees give their time freely and receive no remuneration for their governance duties.

The spiritual and pastoral leadership is provided by the Pastor, Rev Corneliu Nistor, who is remunerated for his ministerial services under a contract of employment. This executive role is distinct from his duties as a charity trustee. The day-to-day management of operational functions is delegated to trustees holding designated roles, who report back to the full trustee body.

Recruitment and Appointment of Trustees

New trustees are appointed by a resolution passed by a majority of at least 75% of the existing trustee body. In selecting individuals, the trustees have regard to the skills, knowledge, and experience needed for effective administration. All trustees must affirm in writing their acceptance of the Basis of Faith, Ethical Statements, and Doctrinal Distinctives.

Induction and Training of Trustees

Upon appointment, new trustees receive a comprehensive induction pack and a meeting with the Chair and/or Treasurer. Ongoing training is provided through updates on charity law at trustee meetings and access to external training resources, ensuring the trustee body maintains a high standard of governance.

Risk Management

The trustees have assessed the major risks facing the Church. Key risks, such as conflicts of interest related to the Pastor's remuneration, are managed through rigorous adherence to our conflicts of interest policy. Additional risks are managed through appropriate insurance, regular financial reviews, and robust safeguarding procedures, including DBS checks for all those working with vulnerable groups. The trustees are satisfied that the risks are being effectively managed.

Objectives and Activities

Our Aims

The Church's purposes are:

1. The advancement of the Christian faith in accordance with the Basis of Faith.
2. The prevention and relief of need, hardship, and sickness; the advancement of education; and the provision of facilities in the interests of social welfare.

Our Objectives and Strategies

Our objectives are to provide a spiritual home for worship and to serve our local community. Our strategies to achieve this include holding regular worship services, providing faith-based education, organising community and inter-faith events, offering practical support to relieve hardship, and running projects such as the Church Brass Band, Choirs, and Biblical School.

Use of Volunteers

Volunteers are integral to our activities. We are fortunate to have a dedicated team, including our charity trustees (with the exception of the Pastor's remunerated role), who freely give their time. All volunteers working with vulnerable groups are subject to robust safeguarding procedures.

Grant-Making Policy

While our primary focus is direct service delivery, the trustees may make grants to further our charitable purposes. All grants are properly assessed, monitored, and applied solely for charitable purposes such as relieving need or advancing education.

Our definition of hardship includes financial need, sickness, and difficult social circumstances, with each application assessed on its individual merits.

Activities and Achievements

How our activities deliver public benefit

The charity's activities provide benefit to our congregation and the wider community by advancing the Christian faith, relieving hardship, and advancing education.

Religious Activities

- Regular worship services, prayer meetings, and Sunday school.
- Celebration of key Christian festivals.
- Pastoral care and counselling.
- Distribution of literature on the Christian faith.

Community Activities

- Support for new Romanian residents, including school settlement support.
- A regular programme of activities including religious studies, family meetings, musical events (Band, Choirs, Orchestra), and bible study seminars.
- Operation of a discretionary hardship fund.
- Health seminars and information sessions open to the entire community.
- Making our community hall available for social welfare activities.

Partnership Working and Performance Review

The charity's activities have been delivered independently this year. The trustees believe that developing strategic partnerships with other community organisations will be a key future focus to enhance our impact and reach. The trustees regularly review the outcomes of all work to ensure it effectively furthers our charitable purposes.

Financial Review

Reserves Policy

The trustees have given active consideration to a formal reserves policy. As this is the charity's first year of operation, the priority has been to apply all available unrestricted funds directly towards establishing and delivering our core charitable activities. The intention is to develop a formal policy once a stable pattern of income and expenditure is established.

Principal Funding Sources

The charity's main source of income is voluntary donations from its congregation and the wider Pentecostal community. The charity's financial foundation was established through a transfer of £1,510,169 from Betleem Limited upon registration. As declared to the Charity Commission, these funds were raised by Betleem Limited with the sole intention of supporting this charitable work and were consolidated within the charity to ensure transparent and accountable management.

Investment Policy and Objectives

The charity's primary investment objective is to build a designated capital fund for the acquisition of a freehold property. The policy is conservative, prioritising capital security and liquidity through low-risk savings vehicles, with the aim of providing long-term stability and enhancing our service to the community.

Plans for Future Periods

Our key future priorities are:

1. Securing a permanent home through a dedicated capital appeal.
2. Expanding community outreach, including exploring partnerships.
3. Enhancing spiritual programs through more frequent bible study and discipleship programs.
4. Ensuring financial sustainability through robust management and transparency.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the CIO and of the incoming resources and application of resources of the CIO for that period.

In preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the CIO will continue in operation.

The trustees are responsible for keeping adequate accounting records, safeguarding the assets of the CIO, and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees and signed on their behalf by:

Note 22 Other disclosures for debtors, creditors and other basic financial instruments

22.1 Please provide information about the significance of financial instruments (eg. debtors, creditors, investments etc) to the charity's financial position or performance, for example, the terms and conditions of loans or the use of hedging to manage financial risk.

This year	Last year
<i>The charity's financial instruments are cash and short-term creditors. The main risk is to its cash holdings, managed by using reputable UK banks. Liquidity risk is low, as cash reserves significantly exceed short-term liabilities. The charity has no borrowings, so interest rate risk is not significant. There is no material exposure to other financial risks such as price or foreign currency risk. The trustees' policy is to maintain sufficient unrestricted funds to meet operational needs and ensure the charity can continue its activities.</i>	

22.2 If the charity has provided financial assets as a form of security, the carrying amount of the financial assets pledged as security and the terms and conditions related to its pledge should be given here.

Note 25 Fair value of assets and liabilities

	This year	Last year
<p>25.1 Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.</p>	<p><i>The charity's financial instruments are cash and creditors. Its main exposure is credit risk on its cash holdings; this is managed by using reputable UK banks. Liquidity risk is considered low, as significant cash reserves comfortably exceed all short-term liabilities. The charity has no borrowings or equity investments, so its exposure to market risk from interest rates or price fluctuations is not significant. The trustees regularly review the charity's financial position and consider the security and liquidity of its assets as a primary objective, ensuring funds are available to meet charitable activities as they fall due.</i></p>	
<p>25.2 Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS 102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.</p>	<p>The charity does not hold any financial instruments that are measured at fair value through the Statement of Financial Activities. All of the charity's financial instruments, comprising cash and cash equivalents, debtors, and creditors, are short-term in nature and are measured at amortised cost. Consequently, there were no changes in the fair value of any financial instruments during the reporting period, and no amount of change is attributable to changes in credit risk. This accounting treatment is in accordance with FRS 102.</p>

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2024**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Association of Chartered Certified Accountants (ACCA).

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
