

Give Hope Relief – Annual Report 2023-2024

2023-2024 has been a year of compassion, growth, and real impact for Give Hope Relief. With the continued support of our donors, volunteers, and community partners, we have been able to reach those most affected by hardship and disaster — bringing not just aid, but genuine hope.

OUR IMPACT THIS YEAR

This year, devastating floods swept across several regions in Bangladesh, destroying homes, livelihoods, and access to clean water. In response, Give Hope Relief launched an emergency flood appeal, focusing on Sylhet, Nabigonj, Sunamgonj, and Comilla.

One of our trustees travelled to Bangladesh and personally coordinated with local volunteers to ensure that every donation reached the people who needed it most. Together, we distributed hundreds of essential food packs, each containing:

- Rice, lentils (dhaal), and potatoes
- Clean drinking water
- Candles and sanitary products
- Other key perishable food items

These packs provided life-saving support to families stranded by the floods — restoring dignity and stability during a time of great crisis.

EXPANDING ACCESS TO CLEAN WATER

In addition to emergency food aid, we are proud to share that Give Hope Relief successfully built one new water well this year — providing a sustainable source of clean drinking water to an entire community.

Access to safe water is a cornerstone of health and development, and we are committed to building many more wells in the coming months, insha'Allah, as part of our ongoing Wells of Hope initiative.

Financial Summary

Online Crowdfunding: £9,960.88

Masjid Collections: £4,945.26

The majority of these funds were directed toward flood relief efforts, including food, clean water, and hygiene supplies. Every penny was used responsibly to bring tangible relief to those in need.

A Message of Gratitude

We extend our heartfelt thanks to every donor, volunteer, and supporter who made this work possible. Your kindness has reached families in desperate situations, offering them food, safety, and renewed faith in humanity.

At Give Hope Relief, every act of giving — no matter how small — helps rebuild lives and communities. Together, we continue to make a difference.

Looking Ahead

As we look toward the future, Give Hope Relief is committed to:

Expanding our water well projects to serve more remote communities

Continuing emergency relief and food distribution

Supporting orphans and vulnerable families

Building long-term partnerships to sustain our mission

Thank you for being part of this journey.
Together, we Give Hope — we Give Relief.
