Trustees Annual Report – 4/04/2024 – 5/04/2025

- NWG is managed by the three original Trustees, Kim Creswell, Emma Etherington-Smith and Rowan Duffy.
- NWG is a CIO and there has not been any induction of new Trustees.
- We are still compliant with the Constitution, which can be found on our website - [NWG Constitution](#)
- For this reporting period, monitoring work has been carried out.
- This reporting period was a slow year with Trustees recognising burnout among the limited volunteers. NWG has been supporting the need of volunteers to sustain the group for more activity next year.
- In the next financial year, we will be collating all the monitoring results to disseminate to the public.
- Financially it was a quiet and stable year.
- Charitable Objective: To promote the conservation, protection, and improvement of the physical and natural environment in the Parish of Queen Thorne in particular, but not exclusively, by undertaking research into the environment and its biodiversity and disseminating the results for the benefit of the public.
