Chair's report:

This year has seen excellent progress in securing the foundations of the youth-led approach that Powered By Youth will continue to be built upon. As chair, I would like to commend the work of the youth steering group and the founders in all that this year entailed.

1. Structure, governance and management:

Type of governing document (eg. trust deed, constitution)	Constitution agreed by all trustees on 6 th September 2023
How the charity is constituted (eg. trust, association, company)	A Charitable Incorporated Organisation
Trustee selection methods (eg. appointed by, elected by)	Appointed by Poppy Sargeaunt and Laura Busby (founders)

Additional governance issues

Our Powered By Youth Trustee's met once between 31st March 2024 to 31st March 2025 although our founders met more regularly. This year was again a slow year for the charity as the founders personal circumstances meant development of Powered By Youth's work was minimal.

A youth steering group was set up to ensure youth voices are threaded through the charities work and decision making; looking at different areas including a logo, branding, website etc as well as developing policies and systems.

2. Objectives and activities

Summary of the objects of the charity set out in its governing document

Chair's report:

Since registering as a charity in September 2023 things have been precarious for the charity founders and as trustees, we recognise their importance and value of them as human beings! Our trustee training undertaken in March 2023 sharpened our own feelings that holding the well-being of those involved in the charity at all levels should be prioritised. This has meant that the projected internal timescales for the charity have not moved in the way initially planned.

As chair of the charity, though, I am aware that a lot of ongoing "thought" work has been happening, and as we look to the coming months and years, the charity is well-positioned to begin the work of recruiting a steering group of young people who will be central to shaping strategy. Practical aspects of work around establishing a charity bank account and looking at funding streams are also developments which I believe we will be able to move towards in the very near future.

As trustees, we are incredibly invested in supporting the charity as it develops, and also in supporting and nurturing our brilliant founders as they work alongside the young people at the very heart of it all.

Additional governance issues

Powered By Youth was officially registered as a charity on 11th September 2023. Since this time sadly both founders; Poppy Sargeaunt and Laura Busby had to place the development of the charity on the back seat due to the death of Laura's father and Poppy adopting 2 small children under 3 years as well as having pneumonia 4 times and being hospitalized.

This has resulted in the charity not developing at the time scale we had set internally.

Below is additional governance information:

- The charity's organisational structure and any wider network with which the charity works: This consists of:
 - Founder (Volunteer): Poppy Sargeaunt
 - Founder (Volunteer): Laura Busby
 - Chair of the Board of Trustees (Volunteer): Rev Ruth Wells M.A
 - Trustee (Volunteer): Jonathan Owen
 - Trustee (Volunteer): Mx Rachel Folgate
- On the 27th March 2023 all trustees and founders received bespoke "Being a Trustee" training with a senior advisor from CAN (Community Action Network) in Bournemouth; A member of the National Association for Voluntary and Community Action network.

All trustees gave their time voluntarily and received no remuneration or other benefits.

From registering as a charity to the 31st March 2024 no contact was made with any young people to get involved in the development of the charity.

Summary of the main activities undertaken for the public benefit in relation to these objects	No charitable activities took place of public interest between 11 th September 2023 and 31 st March 2023 due to the founders personal circumstances.
