Exemptions from disclosure

Reason for non-disclosure of key personnel details

We have had agreement from the Charity Commission for trustee dispensation that the secretary's name remains off the public register due to the following reason:

Statement:

As a social worker dealing with matters of family court and issues pertaining domestic violence, the name of the school in association with my name could alert an indication for where my children attend school, if searched on the internet. This may result in potential dangers from aggrieved individuals of serious court cases, where a threat to the secretary's children attending this school is credible, should they complete a search of her name on the internet.
