CHILD BEREAVEMENT SUPPORT INITIATIVE TRUSTEES' ANNUAL REPORT FOR YEAR ENDED 02/06/2025.

Introduction

We present the Trustees' Annual Report for Child Bereavement Support Initiative (Charity Number 1204679) for the financial year ended 02/06/2025. Unfortunately, the charity has not operated during this financial year. The charity trustees will continue to work towards fulfilling the charity's objectives and are committed to resuming operations soon.

Governance

The charity is governed by a board of trustees who are also the only voting members of the organization. The trustees have a collective responsibility for the overall governance and strategic direction of the charity. The trustees have a schedule to meet regularly throughout the year to discuss the charity's plans and to ensure compliance with legal and regulatory requirements.

Financial Review

Due to the charity not operating during this financial year, there have been no financial transactions to report. The charity does not currently have a bank account for its operations, but the trustees are actively working towards opening a bank account in the current year. Once the bank account is established, the trustees will ensure that proper financial controls are in place to safeguard the charity's assets and ensure transparency in financial reporting.

Future Plans

The trustees are determined to resume the charity's operations and to continue working towards fulfilling the charity's objectives. Plans are underway to recruit new volunteers and to secure funding to support the charity's activities. The trustees are also exploring new opportunities for collaboration and partnership to enhance the charity's impact in the community.

Conclusion

Despite not operating during this financial year, the trustees remain committed to the charity's mission and are optimistic about the future.

Signed on behalf of the charity trustees:

Dr Osamede Aibangbee

Chair of the charity's board of trustees

20/08/2025

Accounts

As the charity has not operated during the financial year, there are no financial accounts to report for this period. The trustees will ensure that financial accounts are prepared and presented in accordance with legal and regulatory requirements once the charity resumes operations and establishes a bank account.
