There are no restrictions in the governing documents on the operation of the charity or on its investment powers other than those imposed by charity law.

By law all trustees are directors under Companies Act 2006 and all directors are trustees under Charities Act and have responsibilities as such, under both company and charity legislation.

**The following persons served as trustees during the period ended 31 August 2025:-**

The trustees who served as trustees in the reporting period are as shown on page 1, and there were no changes during the year, or in the period between the period end and the approval of the accounts.

**Our Aims and Objectives**

**Purpose and aims**

The objects of the charity are:

- a) To advance the christian faith in accordance with the statement of belief appearing in the schedule hereto in Gorton, Levenshulme, Openshaw, and other parts of the United Kingdom or the world as the trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the charity.
- b) To relieve persons who are in need, hardship, aged or sick and to relieve the distress caused thereby in the said location and in such other parts of the United Kingdom or the world as the trustees may from time to time think fit.

**Ensuring our work delivers our aims**

We hope to review our aims, objectives and activities each year. This review will look at what we have achieved and the outcomes of our work with the previous 12 months. The review will look at the success of each key activity and the benefits they have brought to those groups of people they are set up to help. The review also help us ensure our aim, objectives and activities remain focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

**The Redeemed Christian Church of God, The Overcomer Church  
Report of the trustees for the year ended 31 August 2025**

**The focus of our work**

Our main objective since our inauguration has been to continually explore our immediate community and environment with the view to add relevance and be a source of support in the Gorton, and Levenshulme community. The strategies we have applied to meet this objective include:

1. Provision of weekly church services on Sundays, Tuesdays bible study and Thursdays prayer meetings to minister to the physical, spiritual and material needs of the people.
2. Provision of special events and meetings to meet the specific needs of target groups in the community such as Men, Women, Youths and Children, through engaging with them in outreach activities.
3. Provision of material support to members of the community undergoing financial difficulties.
4. Working with other christian agencies and churches in the Borough and its environs to advance the preaching of the gospel.
5. Provision of pastoral care for the members and other members of the community.
6. Empowering our Youths to be world changers through provision of Christian leadership trainings and community engagement activities.

**Activities undertaken in the year**

- Visiting and presentation of christmas hampers to the Age Concerns day care residents.
- Working with other christian agencies to support vulnerable people through providing food bank provisions.
- As an entity linked to our parent church, Redeemed Christian Church of God worldwide, RCCG, The Overcomer Church continued her regular support to the RCCG Global outreach by our monthly contribution to the World Evangelism Mission (WEM) fund through the RCCG Central office here in the UK.

**Who used and benefited from our services?**

Our church services are presented with both the regular congregant and the visitor or seeker in mind. We minister to the physical, mental and spiritual needs of the members in our services giving specific consideration to the seekers or new comers in our midst who may not necessarily have a church background and as such may not understand the processes and procedures of christianity.

We also helped in the relief of poverty and hardship amongst both regular and irregular congregants who suffered one form of financial hardship or the other due to the living cost crisis of the nation occasioned by the ongoing Russia-Ukraine war.

**How our activities deliver public benefit**

Our main activities and who we try to help are described below. All our charitable activities focus on the advancement of the Christian religion, the relief of poverty and sickness in the society.

- a. Ministering every week to the spiritual needs of the people through bible study, prayer meetings, and counselling sessions.
- b. Our focus as a ministry and church is the outreach for souls.

**The Redeemed Christian Church of God, The Overcomer Church  
Report of the trustees for the year ended 31 August 2025**

**The charity's strategies for achieving its aims and objectives in the future**

- a. Organising conferences and seminars for the members and public
- b. Collaborate with other charities that have the same aims and objectives to enhance service delivery to the public
- c. Continue to spread the gospel using the different social media platforms and other new resources available to the church

**Volunteers**

The charity depends on the support of its volunteers, which is much appreciated. The volunteers are involved in service provision and administration. The charity has ten volunteers and they put in about 1,200 volunteer hours. The volunteers and charity accept and agree that no contract of employment is created by the volunteer arrangement.

**Structure, Governance and Management**

**The methods used to recruit and appoint new charity trustees**

The directors who are also trustees for the purpose of charity law oversee the strategic direction of the charity and due to the nature of church work the trustees have been selected based on their faith, character, skills set in management, growth and commitment to the vision of the charity. The charity continues to enjoy the support of the current set of trustees.

**The policies and procedures for the induction and training of trustees**

All of the trustees are already familiar with the practical workings of the charity, as they currently serve in similar capacities in other charities. Trustees are required and encouraged to attend series of short training sessions to familiarise themselves with the charity and the context within which it operates.

**The charity's organisational structure**

The charity is governed by a board of trustees elected to serve and run its affairs. The trustees meet regularly and at times on ad-hoc basis, to manage the affairs of the church. The trustees are assisted by the minister-in-charge and church leaders.

**How the charity makes decisions and how decisions are delegated**

The board of trustees meet bi-annually and are responsible for the strategic direction and policy of the charity. A scheme of delegation is in place and the day to day responsibility for the provision of services rests with the minister-in-charge. He is ably assisted by the church leadership and other volunteers.

**The charity as part of a wider network**

The charity is a parish of The Redeemed Christian Church of God - a network comprised of parishes all over the world. There is an agreement of common purpose entered into by The Redeemed Christian Church of God, The Overcomer Church and The Redeemed Christian Church of God Worldwide which documents this relationship.

**The Redeemed Christian Church of God, The Overcomer Church  
Report of the trustees for the year ended 31 August 2025**

**Financial review**

**The charitable company's financial position at the end of the year ended 31 August 2025**

The financial position of the charity at the 31 August 2025 and comparatives for the prior period.

	<b>2025</b>	<b>5 months 2024</b>
	<b>£</b>	<b>£</b>
<b>Net income</b>	<u>1,219</u>	<u>(1,373)</u>
Unrestricted revenue funds available for the general purposes of the charity	58,832	57,613
<b>Total funds</b>	<u>58,832</u>	<u>57,613</u>

**Financial review of the position at the reporting date, 31 August 2025.**

The trustees consider the financial performance by the charity during the year to have been satisfactory.

During the period ended, voluntary income was £37,031 while expenditure for the year was £35,812. The net movement in funds for the period as shown in the statement of financial activities was £1,219. The value of net assets at 31 August 2025 is £58,832.

**Policies on reserves**

The board of trustees have examined the charity's requirement for reserves in light of the risks to the charity. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets to be held by the charity should be between 3 to 6 months of the expenditure.

The expenditure for the year is £35,812, therefore the targeted reserve should be between £17,906 and £8,953 in general funds. The reserves are needed to meet the working capital requirement of the charity and the trustees are confident that at this level, they will be able to continue the current activities of the charity in the event of a significant drop in funding. This general reserve policy as been met.

**Going concern**

The charitable activities are totally dependable on voluntary donations. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding stream. Accordingly the trustees have obtained and reviewed forecasts for future periods till August 2026 to ascertain going concern basis. They are satisfied at the time of approving the financial statements, that it is appropriate to adopt the going concern basis in preparing the financial statements.

**Principal funding sources**

This is provided mainly through voluntary tithes and offerings by the church members during church services, and bank transfers. Pledges are also taken for specific projects.

**Plans for the future**

- Continue to provide material support to members of the community undergoing financial difficulties.
- Continue to provide our youths with the instruments to be world changers through the provision of christian leadership trainings.
- Continue to work with other christian agencies and churches in the area and its environs to advance the preaching of the gospel.

**The Redeemed Christian Church of God, The Overcomer Church  
Notes forming part of the financial statements for the year ended 31 August 2025**

**1. Accounting Policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

**(a) Basis of preparation and accounting convention**

The accounts have been prepared on the accrual basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and FRS 102 SORP (Statement of Recommended Practice for Accounting and reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), effective January 2016, and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statement in accordance with the FRS 102 SORP 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

**(b) Fund accounting**

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Unrestricted funds may include a revaluation reserve representing the restatement of investment assets at market values where applicable.
- Designated funds are unrestricted funds earmarked by the trustees for particular purposes.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

**(c) Nature, categories and recognition of income**

All incomes are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy.

***The following specific policies are applied to particular categories of income:***

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants, where entitlement is conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant. Donated services and facilities are included at the value to the charity where this can be quantified.

**(d) Volunteers**

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the services from volunteers, the contribution of volunteers is not included within the income of the charity.

**(e) Recognition of liabilities and expenditure**

- A liability and the related expenditure is recognised when a legal constructive obligation exists as a result of a past event and when it is more likely than not that a transfer of economic benefit will be required in settlement and when the amount of the obligation can be measured or reliably estimated.
- Liabilities arising from future funding commitments and constructive obligations, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end.

**(f) Fixed assets**

Fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life, which in all cases is estimated at 5 years.
