Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the mental, physical and spiritual welfare of young people promoting a team environment, where everyone can flourish at their own pace.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Our year spans 48 weeks which includes training sessions each week. We undertake 3 open meet galas each year to generate much needed revenue. These galas benefit young people from a variety of clubs from primarily the North of England to compete in a friendly environment. Some swimmers attain County, Regional and National qualifying times and some become volunteers and officials themselves in later years.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our regular Committee Meetings.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Training sessions are attended by all our swimmers each week. Some of these sessions are held in the very early morning from 5am. We hold 3 open meet galas, Spring, Summer and Winter which attracts a large number of swimmers from primarily the North of England. The three programmes of the meets are all different and offer the chance to qualify for County, Region and National championships. Each meet is over-subscribed and we our aim is to make each one memorable with music, fun as well as a very good swimming competition. Our meets are held over a number of days and as such our visiting teams book overnight stays with local hotels, air B & B's and Caravan Parks, aiding to the success of the local economy. Our Officials come from the clubs competing and our fully qualified Referees are very well looked after, with meals and expenses thus ensuring their continued support for future years. The galas help with our goal to make swimming in our area as cost effective as we can for all our members. We have been able to keep our Membership and Training costs as low as we can to help our families budget and let our young people benefit from a team environment where everyone matters.</p> <p>We have been able to purchase computer equipment to help our volunteers with the admin side of our club and training aides to help our coaches and swimmers. The most notable have been the headsets our swimmers wear when training so the Coach can communicate and help stroke development.</p> <p>We have also had a fairly successful social side of our club, although with swimming meets or team galas most weekends they are tough to organise. Indoor ten pin bowling, summer barbecue and Winter parties have been held and</p>

		<p>very well attended.</p> <p>We have received donations of £1500 from local Government funds to assist with our Winter Open Meet costs and also a £500 donation from a local business as payment towards our junior headsets as well as gifts in kind to help with making our club successful.</p>
