Activities

Objects: THE OBJECTS OF THE CIO (OBJECTS) ARE, FOR THE BENEFIT OF THE PUBLIC, TO PROMOTE THE EFFICIENCY AND EFFECTIVENESS OF CHARITIES IN PARTICULAR, BUT NOT EXCLUSIVELY, BY ENABLING OTHER CHARITIES TO OCCUPY VACANT PROPERTY OR LAND SUITABLE FOR THEIR NEEDS ON A RENT-FREE BASIS FOR USE IN CONNECTION WITH THEIR CHARITABLE PURPOSES.

Activities: DATIO fosters community development by bridging the gap between landlords with empty properties and charitable organisations in need of space. Our mission is to provide vital support to charities by offering them free access to a diverse range of premises across the UK. We understand the challenges faced by charities, particularly the limitations surrounding access to affordable & suitable spaces.

Second Trustees Report and Accounts for Datio (first full year to 31 Mar 2025)
CIO: 1204837

Datio CIO is now operating as planned and slowly building greater traction and looking at extending its relationships with other charitable entities, landlords, government agencies and beyond .

The charity has collected some more income (£2,200) and the total income to date (£2,500) has been accrued as payable in relation to its first temporary space in Leicester. This was settled after year end and that temporary site has now ended as expected. But as other sites continue to come through, we are growing and helping more charities in more parts of the country.
