Respective
responsibilities of the
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act.
- To follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act) and
- To state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's
statement

In connection with my examination, no material matters have come to my attention (~~other than that disclosed below*~~) which gives me cause to believe that in, any material respect:

- Accounting records were not kept in accordance with section 130 of the Charities Act or
- The accounts do not record with the accounting records

I have come across no matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
