

CONWY COMMUNITY HWB

ANNUAL REPORT AND ACCOUNTS FOR 23-24

Unfortunately, from September 2023 to March 2024 the organisation was unable to attract any grants or organise any fundraising activities. Therefore, there was no income or expenditure during this period and no activities.

The Trustees have been working to secure local grants to enable them to organise activities and during 24-25 managed to secure just one grant of £500.

There have been a couple of changes to Trustees during the same period. They are meeting at the end of March 2025 to review their position and formulate an action plan.
