KASWAH FOUNDATION TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

1. Accounting Policies

The principal accounting policies adopted by the Charity, which is a public benefit entity, in the preparation of the accounts are as follows.

1.1 Basis of preparation

These accounts have been prepared under the historical cost convention, as modified by the inclusion of charitable properties and fixed asset investments and investment properties at valuation.

These accounts have been prepared in accordance with “Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)” (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

These accounts are presented in pounds sterling and rounded to the nearest pound.

1.2 Going concern

The Trustees have prepared financial projections, taking into consideration the current economic conditions and have, at the time of approving these accounts, a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Change of accounting policy

These accounts have been prepared to give a ‘true and fair’ view

1.4 Income from donations or grants

Income from donations and grants is recognised when the charity is entitled to the funds, the receipt is probable and the amount can be measured reliably. For donations, this is usually on receipt. For grants, this is usually when a formal offer is made in writing. If a donation or grant contains terms and conditions outside of the charity’s control which must be met before the charity is entitled to the funds, or if the donor specifies that the funds must be used in future time periods, then the income is deferred.

2. Income from Donations and Legacies
