

Trustees' Annual Report For The Period

From 2nd October 2023 To 31st December 2024

Charity name: Jesus Saves Racing

A Charitable Incorporated Organisation (CIO) registered in England and Wales.

Objectives and Activities

Jesus Saves Racing exists to advance the Christian faith through motorsport activities across the country. Our outreach takes place at racing circuits, at events in partnership with churches and other Christian organisations and through the charities own events and community engagement.

When planning our activities for the year, the Trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of the Christian religion.

We have sought to do this in a number of ways by educating, training and teaching about Christianity and Christian values through motorsport activities. We have also sought to engage people away from the race track at a number of events, to share the Christian message through the story of our organisation.

All of our activities rely on a team of committed volunteers and the trustees, freely giving their time to support our charitable objectives.

Achievements and Performance

The first year as an incorporated organisation has seen us develop both our on track operation, by involving new people and seeking to be as active as possible, as well as being intentional to look for opportunities to grow our activities away from the race track.

We launched a fundraising campaign to help support the rebuilding of our historical car, this was met with a really encouraging response and we were able to achieve the project in the first 6 months of this period. The car was entered into a number of events in the 2024 racing season and enabled the Christian message to be shared through a number of different media channels, including BBC One and Premier Christian Radio.

We also responded to a request to speak at a men's outreach event where the hope of Jesus was shared and this helped to raise the profile of the organisation as an opportunity for others to partner with us in this objective.

Financial Review

The level of giving to the organisation has been encouraging in this first period and we are grateful for all the support we have received.

Donations have been received directly from members of the team, friends and family, as well as through promoting the mission of the team through word of mouth and online through the website and social media. Outside donations have mainly been received through the online giving platform JustGiving.

We have registered for gift aid and have made use of this facility during this period. The JustGiving platform has also acted as an agent to make claims on our behalf for eligible donations they have received.

Given that most of the costs involved are variable depending on the level of activity we therefore have a fairly low level of essential operating expenditure. We do not commit to activities until we have raised sufficient finances to cover them.

The charity has a good financial position for general reserves to meet the small amount of fixed costs we are committed to.

Structure, Governance and Management

The team is a Charitable Incorporated Organisation registered in England and Wales under a constitution document dated 23rd February 2023. The only voting members are the charity trustees, of whom there are 6 including the chairman.

Apart from the first Charity Trustees, every Charity Trustee must be appointed by a resolution passed at a properly convened meeting of the Charity Trustees. In selecting individuals for appointment as Charity Trustees, the Charity Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO. All Charity Trustees must subscribe and adhere to, in belief and lifestyle, the Statement of Faith.

Membership of the CIO is limited to the trustees only. Any trustee who ceases to be a trustee of the charity also ceases to be a member of the CIO.

Management of the charity is shared between the trustees.
