# JAGS CONNECT HIGHLIGHT

## JAGS Connect

### Story of Our Project

#### Introduction

JAGS Connect has been a transformative initiative, consistently focused on fostering meaningful connections within the community and schools while directly addressing the devastating effects of youth violence. With an annual report marking our progress each year, this final report consolidates a period of sustained effort and significant growth. We have successfully implemented and expanded programs that have had a positive and lasting impact on the lives of many individuals and families affected by this critical issue.

### Building Community Partnership

#### Building Community Partnerships: One Year of Growth

One year ago, our primary objective was establishing strong community ties, successfully leading to partnerships with Your Story and Marcus Lipton. These collaborations provided a foundational model for our outreach and program delivery. Today, we are thrilled to report on the significant expansion of our community network, built on the success of those initial relationships. We have now established two key, high-impact partnerships:

## Key Achievements

- Increased academic performance: Many of the girls participating in our mentoring program have reported improved grades and increased motivation to succeed academically.
- Enhanced self-esteem - The mentoring sessions have helped girls develop a positive self-image and believe in their abilities.
- Strengthened community ties - Our project has fostered a sense of belonging and connectedness among participants and the wider community.
- Development of leadership skills - Through various activities and workshops, girls have had the opportunity to develop their leadership skills and become active members of their communities.
- Improved parenting skills - Parents who have participated in our adult parenting mentoring program have reported increased confidence and satisfaction with their parenting abilities.
- Reduced impact of youth violence - Our services have helped individuals and families cope with the challenges of youth violence and build resilience.

## Testimonials

"I used to feel really lonely and isolated. But since joining JAGS Connect, I've made some amazing new friends and learned so much about myself. My mentor, Fenella, is always there to listen and offer advice. She's helped me so much to believe in myself and reach for my goals.

### Building Community Partnerships

#### SFX Sixth Form School

We have partnered with SFX Sixth Form School to focus on student progression and career readiness. Students are on-site (JAGS Office) 2 days per week to work directly with the organisation, offering an intensive program focused on:

- Mentoring - Providing personalised guidance and support.
- Work Experience - Facilitating practical, real-world professional placements.

#### 14 Parish

We have also successfully partnered with 14 Parish, where we serve their young client base with consistent, developmental support. We run two monthly sessions focused on:

- Support & Mentoring - Offering consistent guidance to help young people navigate challenges.
- Team Motivation - Delivering high-energy sessions to build confidence, collaboration, and a positive mindset.

This expanded network allows JAGS to deliver specialised, consistent support to a wider range of young people, ensuring our programs remain relevant and impactful across the community.

### Building Community Partnerships

## Key Activities and Measured Impact

The program's success is demonstrated through concrete outputs across direct support, skills development, and mentoring, all driven by community needs.

### A. Direct Family and Community Support

We focused on providing immediate support, connecting 41 families with essential specialist services, which included trauma counselling, mental health support, and legal advice. Furthermore, our skills development initiative saw 6 three-hour workshops delivered throughout the period, successfully equipping 75 parents and community members with valuable knowledge in areas like conflict resolution and youth mental health first aid.

### B. Mentoring and Peer Leadership

Involving community members as leaders has been vital to our sustainability. We currently mentor 18 girls across 3 schools who are identified as being at risk of exclusion, providing them with critical, personalised guidance. This effort is complemented by the formal establishment of a peer network comprised of 18 parent and youth volunteers, who now provide safe, lived-experience support for families of at-risk youths.

### C. Digital Reach and Consultation

Responding to the strong community need for online resources, we launched the Beta version of the JAGS Connect online platform. This platform serves as a central hub for information and 24/7 accessible peer support resources. This development directly addresses the consultation phase, where an outreach of 7 street surveys (3 in Wandsworth, 2 in Lambeth, 2 in Croydon) reached 187 community members and revealed that 44% (82 people) specifically requested this online form of assistance.

## **Trustees' report**

The trustees present their report with the financial statements of the Charitable Incorporated Organisation (CIO) for the period 3 October 2023 to 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

## **Structure, Governance & Management**

Governing document – The legal form of the charity is that of a Charitable Incorporated Organisation (CIO) Foundation, with registration number 1205033 on 3 October 2023, which is controlled by its governing document, its constitution dated 3 October 2023.

## **Recruitment and appointment of new trustees**

Process to Appoint Trustees – The procedures for electing or appointing new trustees is set out in section 10 of our constitution:

- (1) Apart from the first charity trustees, every trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.
- (2) In selecting individuals for appointment as charity trustees, the charity Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

## **Organisational structure**

The charitable incorporated organisation is constituted under the foundation model where the trustees are its members. The trustees control the running of the charity and meet at least quarterly to review operations.

The trustees who have served during the period 3 October 2023 to 31 March 2025 are set out on page 2.

## **Objectives & Activities**

The CIO Objectives is to advance in life and relieve the needs of young people throughout England and Wales through:

1. the provision of recreational and leisure time activities in the interests of social welfare, designed to improve their conditions of life.
2. providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

## **Achievement and Performance**

The CIO achievement and performance were as highlighted on JAGS CONNECT HIGHLIGHT page above.

As Chair of the charity, I extend my heartfelt gratitude to all our funders, staff, and volunteers for their unwavering support. Lastly, I thank our beneficiaries for collaborating to create and deliver meaningful services. Your engagement has been instrumental in our mission to effectively empower and support the community. Together, we have made a significant impact and look forward to continuing this vital work in the coming year.

## Public benefit

In deciding on the activities of the charity, the trustees have had due regard to the Charity Commission guidance on public benefit.

## Financial Review

Against the backdrop of limited resources, the Charitable Incorporated Organisation, with the support of grant funders, donors, volunteers, and with its aid of sound financial management, the charity was able to cope without affecting its services and existence for the foreseeable future.

## Risk Management

The trustees have a risk management strategy which comprises:

- an annual review of the principal risks and uncertainties that the charity face;
- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

## Reserves Policy

The Trustees' reserve policy aims at building up free reserves in unrestricted funds to the level needed to cover up to three months operating expenditure, by means of annual operating surpluses and supplemented by general-purpose appeals from time to time. This is to ensure sufficient working capital is available to meet expected expenditure and liabilities in the event of a fall in income. Any surplus funds which are not likely to be needed to pay for activities will be placed on deposit to earn interest. This Policy will be reviewed every other year, at minimum, or sooner if warranted by internal or external events or changes.

## Future Plan

The charity intends to continue to support its causes in accordance with the objects of the charity.

## Statement of Trustees Responsibilities

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Independent Examiner's report

## To the trustees of JAGS CONNECT

I report on accounts of the association for the year ended 31 March 2025, which are set out on pages 11 to 15.

### Respective responsibilities of trustees and examiner

As described on page 4 the charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 1444(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the 2011 Act);
- follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

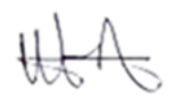

### Basis of Independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the 2011 Act; and
  - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
