Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>1. On September 12, 2024, the OCI Foundation UK donated food and clothing materials to the homeless and other disadvantaged communities in Liverpool. This was part of the Foundation's efforts to advance its Social and Public Welfare activities among underprivileged communities. The donation was made through the Croxteth & Gillmoss Community Federation in Liverpool, which received the items for the disadvantaged groups as part of its own Croxteth Family Matters Project. Details of the event are captured here: https://ocifoundation.org/oci-foundation-uk-successfully-holds-first-charity-project-in-liverpool-england-12-09-24/.</p> <p>2. On September 27, 2024, the OCI Foundation UK also featured at the "2024 Zenith Global Health Summit". The theme of the event was to "use a one health approach in advancing population health and tackling inequalities and access to healthcare". At the event, the OCI Foundation UK announced its intention to introduce the Literary and Research Award for Medical Students (LARAMS) for medical schools across the UK. LARAMS is a program that is uniquely designed to identify, inspire, and reward young doctors-in-training and promote literary dexterity and research skills among the next generation of doctors. Details are here: https://ocifoundation.org/video-and-pics-oci-foundation-uk-plans-annual-literary-and-research-award-for-british-medical-students-larams-27-9-24-london-uk/.</p> <p>3. As part of its commitment to expand its activities smoothly and sustainably across the UK, the Foundation also invited and hosted one of its most experienced staff members to the UK (https://ocifoundation.org/ifevinwa-erhabor-oci-foundations-health-and-logistics-officer-arrive-england-to-assist-team-uk-with-roll-out-of-foundations-activities-january-2025/). The key plans were the best ways to implement the British version of LARAMS and the Arm Our Youth (ArOY) Anti-Cancer Health Campaign. They also worked on practicalities for the Foundation's Postgraduate Scholarship Program and the Sexual and Gender-Based Violence (also known as SGBV) for vulnerable communities within the UK.</p> <p>4. On April 22, 2024, the OCI Foundation UK featured at the "2024 Africa Healthcare Awards and Summit by Zenith Global Health" in Accra, Ghana. At the event, the OCI Foundation UK delivered a speech on its innovative CerviBreast Mobile Phone Application. The CerviBreast App aims to bridge the gap in Human Resources for Health and Health Technology, and is viewed as a game-changing technological tool in the fight against cancers in Nigeria and other parts of Africa, where the Foundation targets.
