- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity aims to improve the quality of life for people in Gainsborough and surrounding areas by creating opportunities for recreation and leisure. This is achieved through initiatives such as garden clubs, community allotments, and green spaces. These facilities are specifically designed to support individuals facing challenges related to age, disability, financial hardship, or social and economic circumstances, as well as benefiting the general public in the interest of social welfare.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

During the year, Greener Gainsborough CIO actively pursued its charitable objects by delivering a range of activities aimed at enhancing community wellbeing and improving green spaces in Gainsborough and surrounding areas.

The charity's principal activity was the establishment and support of **Gainsborough Men's Shed**, a community initiative providing facilities for recreation, skill-building, and social connection. This project supports individuals facing challenges such as age, disability, financial hardship, or social isolation, offering meaningful opportunities to improve their quality of life. Gainsborough Men's Shed has been pivotal in fostering community well-being through its diverse activities and growing membership.

In addition to this flagship initiative, the charity undertook various initiatives to promote environmental improvement and community engagement, including:

- **Supporting Aegir Specialist Academy:** Collaborated with learners from the Community Learning in Partnership (CLIP) Flare program for 16–18-year-olds to develop a woodland outdoor learning area, encouraging environmental education and skill-building.
- **Community Gardening:** Provided Sunflower Kits to LEAP Community Hub's Community Participation group, fostering interest in gardening and wider community involvement.
- **Hedge Planting at GAPA:** Prepared the ground and planted 200 saplings at Gainsborough Adventure Playground (GAPA), providing children opportunities to connect with nature.
- **Library Garden Enhancement:** Transformed the front entrance of Gainsborough Library by creating a garden and planting over 800 bulbs. This visually appealing space, officially unveiled by local Council leaders, was a collaborative effort spearheaded by Greener Gainsborough CIO with support from Hastings Day Centre volunteers, a facility for adults with learning and/or physical disabilities.
- **Ashcroft Green:** Supported volunteers in transforming a deprived area into an accessible community space by planting and supplying 400 daffodil bulbs to enrich its beauty and utility for residents.
- **Biodiversity Promotion:** Planted wildflower seeds at Morton Corner as part of the Gainsborough in Bloom initiative, enhancing natural habitats and environmental enrichment.
- **Scouts Hill Tree Planting Day:** Participated in a community tree planting event at Scouts Hill, helping to create a greener and more sustainable environment for the local community.

The trustees confirm they have had regard to the Charity Commission's guidance on public benefit in planning and delivering these activities, ensuring alignment with the charity's objectives, and maximizing positive community impact.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The continued growth and success of **Gainsborough Men's Shed** has been a standout achievement for Greener Gainsborough CIO this year. The Shed has become a hub of creativity, camaraderie, and community service, offering recreational facilities, skill-building opportunities, and a welcoming space for social interaction. Widely embraced by local residents, this initiative has significantly reduced social isolation and improved overall wellbeing.

Key achievements include:

Reducing Social Isolation: The Shed has provided members with a strong sense of belonging, creating opportunities for shared activities and connections.

Skill Development: Participants have developed practical skills through regular workshops and training sessions, boosting confidence and personal growth.

Community Contributions: Members have contributed to local projects, such as maintaining green spaces, planting trees, and securing a nearby allotment for outdoor recreation and gardening.

Other notable achievements include:

- **Green Space Projects:** Enhancements at Gainsborough Library Garden and Ashcroft Green have made them more inviting for the community.
- **Collaboration with Schools:** Progress in developing a woodland outdoor learning area with Aegir Specialist Academy, encouraging environmental education for young learners.
- **Promoting Sustainability:** Successful participation in events and initiatives promoting biodiversity, sustainability, and community involvement, such as wildflower planting and tree-planting days.

Section E

Financial review

Brief statement of the charity's policy on reserves

Greener Gainsborough CIO maintains reserves to ensure financial stability and support ongoing community projects. Our reserves are reviewed regularly to align with our operational needs and long-term sustainability.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
