RISK ASSESSMENT AND MANAGEMENT

Trustees are responsible for the overseeing of the risks faced by the charity in all areas. The charity has a general risk assessment and management policy which Trustees review yearly. Current one review is due in July 2026.

Charity activities for the period covered by the report have not been carried out on a daily basis. Activities real carried out on specific dates throughout the year and they are of a different nature from each other. Risks are identified by the event manager and the chairperson in accordance with the venue regulations, guidance and expectations. A specialised risk assessments and management plan would be drawn from there and followed throughout the duration of the event/activity.

The general charity risk is managed under the headings of financial sustainability in relation to planned activities as per objectives, public safety and community access to events.

The main risks that the Trustees have identified and the plans to manage those risks are:
The Charity's reputation. The charity's success is built on its reputation for benefitting, safety and well-being of the community it serves.

We manage this risk through safeguarding policy, volunteer policy

Finances: Our ability to continue is reliant on fund raising through events.

This risk is managed by proper mobilisation and advertisement of events to maximise attendance.

Through the risk management processes established for the charity, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Safeguarding policy covers all volunteers, attendees and general public in events.

In preparing those financial statements the trustees are required to;

Independent Examiner's Report

I report on the accounts for the year ended 31 October 2025 set out on pages five to nine.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to: - examine the accounts under Section 145 of the 2011 Act to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

RISK ASSESSMENT AND MANAGEMENT

Trustees are responsible for the overseeing of the risks faced by the charity in all areas. The charity has a general risk assessment and management policy which Trustees review yearly. Current one review is due in July 2025.

Charity activities for the period covered by the report have not been carried out on a daily basis. Activities real carried out on specific dates throughout the year and they are of a different nature from each other. Risks are identified by the event manager and the chairperson in accordance with the venue regulations, guidance and expectations. A specialised risk assessments and management plan would be drawn from there and followed throughout the duration of the event/activity.

The general charity risk is managed under the headings of financial sustainability in relation to planned activities as per objectives, public safety and community access to events.

The main risks that the Trustees have identified and the plans to manage those risks are:
The Charity's reputation. The charity's success is built on its reputation for benefitting, safety and well-being of the community it serves.

We manage this risk through safeguarding policy, volunteer policy

Finances: Our ability to continue is reliant on fund raising through events.

This risk is managed by proper mobilisation and advertisement of events to maximise attendance.

Through the risk management processes established for the charity, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

TRUSTEES' RESPONSIBILITIES

Charity Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end and of its incoming resources and resources expended for that year. In preparing those financial statements the trustees are required to;

- select suitable accounting policies and apply them consistently,
- observe the methods and principles in the Charity SORP;
- make judgement and estimates that are reasonable and prudent,
- prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statement comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions

This report was approved by the board of trustees on 18 February 2025.

Independent Examiner's Report

I report on the accounts for the year ended 31 October 2024 set out on pages five to nine.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to: - examine the accounts under Section 145 of the 2011 Act to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
