Trustees' Report

The Trustees present their annual report together with the financial statements of Keighley Lions Club Charitable Incorporated Organisation (the Charity) for the 12-month period ending 30th June 2025. The Trustees confirm that the Annual Report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2015.

Structure, Governance and Management

Keighley Lions Club Charity registered as a Charitable Incorporated Organisation on the 23rd October 2023. The Club Charter was transferred to the new CIO from 12th November 2025. The Constitution stipulates that the minimum number of trustees shall be three and the maximum twelve. The President, Secretary and Treasurer are all mandatory trustees. Any member taking up those posts must be a trustee. In addition to the constitution the Immediate Past President & the Vice President are also trustees. The process for the appointment of trustees is stipulated in the Constitution. A 'Trustees' meeting is held when required, and in any case every three months. This meeting manages the governance of the club as set out under the Charitable Incorporated Organisation Constitution. The Charity's insurance requirements are covered under Lions Clubs International Multiple District 105 insurance arrangements.

Mission Statement

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Vision Statement

To be the global leader in community and humanitarian service.

Objects

The Objects of the CIO are such purposes as are exclusively charitable in England & Wales, including in particular: the advancement of citizenship by:

- promoting the principles of good citizenship;
- encouraging members to take an active interest in the civic, cultural, social and moral welfare of the community;
- providing a forum for the open discussion of all matters of public interest; provided that partisan politics and sectarian religion shall not be debated by members;
- encouraging service-minded people to serve their community without personal reward and encouraging the promotion of high ethical standards in commerce, industry, professions, public works and private endeavours;
- supporting youth to develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals;
- promoting the Voluntary Sector for the public benefit by associating with local authorities in a common effort to advance education and provide facilities in the interests of social welfare for recreation or other leisure time occupation to improve the conditions of life of people in local, national and international communities;

- promoting volunteering;
- the relief of poverty and the relief of those in need in particular by providing humanitarian aid and disaster relief;
- the advancement of health or the saving of lives by preventing avoidable blindness, assisting disabled people to lead independent lives or helping to prevent or manage health issues;
- promoting for the benefit of the public the conservation protection and improvement of the physical and natural environment; and/or
- promoting community participation in healthy recreation

The trustees confirm they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the Charity Commission's general guidance on public benefit 'Charities and Public Benefit'. This year the CIO have continued to provide public benefit, and we will explain how this has been achieved in this report.

All the administration expenses of the CIO are dealt with through the 'Administration Account' the balance of which does not include any money raised from members of the public. The trustees can confirm that the CIO does not have any outstanding liabilities or debts.

The CIO has a grant making policy, all applications are considered by the trustees at their meetings. The trustees then make recommendations which are considered by all the members of the CIO. The procedure for this process is outlined within the constitution.

Club Activities

One of our club successes for the year was to secure a site where we can build a storage unit. This unit will be used to store all of Keighley Lions equipment and allow us to carry out maintenance on the Santa's sleigh. An amount of **£3500** has been carried over to next year, this will be restricted for the purchase and erection of the storage unit. The unit will be at the Woodville Community premises where we will pay a nominal ground rent of **£275** a year.

Income

In this 12-month period the club had an income of **£17849.85**

This has been generated by the club having a stall at various community Fetes, Gala's and through specific revenue generating events, like a "Sunday lunch" for the Gift of Living project raising **£658.61**. Generating an income of **£10046.20** a comprehensive list is given in the statement of accounts section of this document. There have also been significant donations made to Keighley Lions from bucket collections at the local supermarkets and through our door to door collections with the Santa's Sleigh, generating an income contribution of **£5687.12**. We have also picked up a significant income contribution in sponsorship this year of **£1486.45**. To finish with we picked up a **£500** grant from the local Metropolitan Council through the Community Chest funding scheme, for a new set of noticeboards.

Our Santa Sleigh was a success this year with a 25.7% increase in contributions over last year, at **£4328.81**, followed by our Santa's Grotto at Cliffe Castle making another huge contribution to funds with **£4285.11**. One of our Lions conducted a sponsored walk of the Yorkshire Three Peaks and raise a whopping **£1485.75** for the district Martin House project.

Expenses

Obviously, our events have cost us money in the provision of materials and entrance fees so these events could happen. This year's expenses have come in at **£2868.33**.

Service

We have covered a wide range of service work in this Lionistic year:

- Handing out Message In A Bottle & Message In A Wallet products.
- Helping with the local Homeless Not Hopeless charity with clothes, sleeping bags and blankets.
- Providing clothing for a young child without clothes and lighting for their bedroom.
- Furniture purchased for a family moving from an abusive relationship.
- Prostate testing event for 72 male members of the public.
- Providing presents and a Santa for a senior citizens Christmas Lunch.
- Providing a Christmas thanks to the back office staff at our local hospital, by handing out over 30 boxes of biscuits.
- Painting and converting an old BT phone box into a public exchange library.
- Paint the fencing in a local village park.
- Christmas selection boxes for the foster children's visit to the local cinema.
- Built and provided a Christmas letter box to the Airedale Community Charity Trust.
- Provided the Airedale Community Charity Trust with a Christmas tree and decorations.

Donations

Under this section Keighley Lions has made 25 donations to various good causes and groups totalling **£8522.52**. A comprehensive list is given in the statement of accounts section of this document.

Conclusion

Having conducted all of our service work over the 24/25 Lionistic year we have had a total expenditure of **£16269.52** including direct and indirect expenses.

Leaving us a surplus of **£8113.81**. Some of this surplus has been restricted to the Martin House appeal for District and the storage unit when it is finally completed.

Membership

The CIO continues to try and recruit new members however this is proving to be a challenge.

Membership of the CIO at the end of June 2025 was 18 members of which 15 were active. Members meet twice a month and take part in the social and fundraising activities of the CIO.

Environmental Events

This is the first year for some time that we have managed to do any work under the environmental banner. During 23/24 we managed to schedule in a number of litter picks throughout the district and also a couple of tree planting sessions. Unfortunately our second session got vandalised and 150 trees were stolen.

Christmas Campaign

1. Grotto

This was our first year at Cliffe Castle museum after having 2 terrible years at Morrisons Supermarket community room. People simply don't go to the supermarket to see Santa in his grotto. So we approached Bradford Museums department in the summer of 23 to see if we could have a grotto there. They said yes and we planned a bookable event with walk ins allowed on each session planned over the first 2 weekends in December. Bookings opened on our brand new website on the 1st of October. Tickets sales were slow at first but started to pick up over November. By the end of November we had a significant number of book sessions. Even though the first weekend wasn't fully booked it allowed us to play out weeks of planning and make a few tweaks. Anyway after the success of the first weekend been broadcast on our Facebook page the second weekend was fully booked with days of the first weekend. In the end we had 400 child to our new Grotto raising approximately £3650 for our charity account. What a roaring success.

2. Sleigh Runs

We ran 13 2 hour sleigh runs throughout the Keighley District and we are helped on 10 of the runs by Keighley District Scout Group to which we make a £1000 donation to at the end. These Sleigh runs collected in excess of £3295.98.

3. Town Centre Bucket Collection

The town centre bucket collection happens on the last Saturday before Christmas and involves having Santa and his Sleigh outside the Post Office in the Bus Station.

4. Breakfast with Santa Planning

Opened negotiations with the pavilion cafe about next years new concept 'Breakfast with Santa'.

5. Christmas Eve Airedale Hospital Children's ward visit

The Club likes to make a special trip to the children's ward of Airedale General Hospital and hand out presents to any children who are spending Christmas in hospital.

6. Other Christmas Events

Keighley Lions are requested at many events throughout the district from Schools to Pubs & various museums

Ugandan Orphanage

This year Keighley Lions Club pledged to support an orphanage in Jinja Uganda. This involves donating £390 each year through Lions Clubs International.

Brief statement of the charity's policy on reserves

This has been some what of a difficult year moving from a Trust Fund to a CIO and the old treasurer suffering from a stroke. The CIO operates a funding policy by where Budgets are calculated for the coming year based on data from the previous year (refined each year as we accrue more data). The value of these budgets was moved to the reserve account and held there gaining interest. This money is then used to facilitate the events the club performs. Arrangement money from events is replaced in the reserve account surplus money is put into the charity account. Interest made on the reserve account is transferred to the charity account when £10 pounds is reached.

Details of any funds materially in deficit**Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The club raises funds from the public principally by organising events either directly or together with other organisations with the same vested interests. On occasions the club has looked for funding from other sources like corporate sponsorship or seed funding from other funding bodies.

By far our biggest fund raising events are the Santa's Grotto we do at a local Council Museum and the Lions Sleigh that we run around the district, then we fall into bucket collections at local supermarkets, sports grounds and shopping centres.

The Club also adopted a way of dividing up the generated funds. Once Budgets have been calculated to fund the events and activities we do the budget money is held in a reserve account. Interest earned on this money is added to the charity account once a quarter. After budget money is reserved the remaining money is divided as follows.

- 50% to Grant Funding
- 20% to Presidents Fund
- 15% to National & International Fund support for LCI
- 15% to Lions Service Fund

Grant Funding

Grants are open to the public and generally open at the beginning of February and close at the end of February. The grant applications are looked at by group of Lions based on the funding policy. This group then makes recommendations the Trustees. Once approved they are then put to the club for final approval by The Club members the treasure then issue the money to the applicant via BACS transfer.

Presidents fund

The President is allocated money from the charity account based on the above. However the President is encouraged to collect further funds by themselves by other fund raising events.

National/International

This block of money is used to support Lions Club International (LCI) disaster relief fund, This has been to Ukraine Winter is Coming, Japan Earthquake and Brazil floods and The LCI Orphanage in Uganda.

Lions Service

This fund allows us to respond quickly to local requests for support. In this year we have supported the 'Message in a Bottle' campaign which is always well received.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
