Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity’s work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<ul style="list-style-type: none"> • Within the first year we have delivered 50 talks to local schools, colleges, training centres and workplaces, spreading awareness across the area of benefit to over 5000 members of our community. This includes attending 5 events across the year. We have also arranged or been part of 3 large fundraising events, which has support us in regards raising our awareness. • We have also supported 10 different families across our area of benefit either victims or their families who have been affected by ‘one punch’ – for them to know they are not alone, and can turn to us for advice and support, as we have the lived experience of this type of crime, has been a real benefit for them.

		<ul style="list-style-type: none"> • Feedback we receive from everyone we speak to, whether that's the teachers at schools we have delivered our talks to, to employers and employees who have listened to our talk, everyone is so supportive of the work we deliver and have all provided feedback to advise this message should be shared far and wide, and it is such an important story we are sharing. We are being asked to return to schools and colleges to share our story wider, or to deliver our talk to the new year groups as they start in their school. • We attend local events and speak to young families who are interested in our charity – we share our story with them, give out merchandise and leaflets so they can discuss our work when they get home, and with their wider family and friends – again raising awareness and reaching as many people as possible. • We have also worked with a local playwright company who have written a play about our story and the play has reached 750 people across our local area through 5 performances at the Hull Truck Theatre in October 24. Again reaching a different audience but with the same message around the risks and devastation caused by 'one punch'. • We have a big following on social media – regularly posting information and sharing advice in regards to 'one punch' with over 1500 followers are following is growing daily. We also sell our merchandise through these platforms and are looking to expand this further.

Set out on pages

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/11/2024

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
