## **EMBSAY WITH EASTBY VILLAGE INSTITUTE CIO**

### **TRUSTEES REPORT**

The trustees present their report with the financial statements of the charity for the year ending 31<sup>st</sup> December 2025. The Trustees have adopted the provisions of Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective from the 1<sup>st</sup> January 2019.

#### **Objectives and Activities**

The village institute is a CIO registered with the Charity Commission under the title: Embsay with Eastby Village Institute CIO. It is constituted by means of a governing document.

The object of the CIO is the provision of a village hall for the use of all inhabitants of the parish of Embsay with Eastby and its neighbourhood "for meetings, lectures, classes and other forms of recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants". The actual site and buildings are held on trust for these purposes by the Embsay with Eastby Parish Council whose members are the custodian trustees. The Trustees of the CIO are responsible for the management and running of the hall. The trustees are made up of local volunteers who aim to ensure that the building is a vibrant and viable hub for the two villages. The Trustees aim to make the Village Institute a welcoming place for all the residents without discrimination.

Funds raised through the hiring of rooms in the VI are used to meet the considerable costs involved in running, maintaining and improving the building.

#### **Public Benefit**

The CIO has considered the Charity Commission's guidance on public benefit and uses it to ensure that future plans are consistent with its aims and objectives.

#### **Achievements and Performance**

The CIO has, in its second full year, provided a venue for many people in the parish and surrounding area. Although it remains fairly busy we lost several regular users during the last 12 months.

User groups include Carpet Bowls, Table Tennis, Keep Fit, Yoga, Bridge, Balance Bikes, WI, Quilters, Toddler Club, Pilates, two Art Groups, Flower Club, Wow Baby Group and a Youth Theatre Group. In addition, the local U3A uses the hall for its orchestra and the supper room for three smaller groups.

The village theatre group, Embsay Players, performed "The Snow Queen" during the 3<sup>rd</sup> week of November, selling out on three performances.

A local musician has established a quarterly, live music evening in the main hall. The hall was booked for two wedding receptions in the final quarter of the year.

Two other local charities, Embsay Community Library and the Preschool Playgroup are both permanent tenants of the institute, and both continue to be a vital part of the community hub.

## **EMBSAY WITH EASTBY VILLAGE INSTITUTE CIO**

### **TRUSTEES REPORT *(continued)***

The library was established more than ten years ago and operates under the wing of the village institute. In the autumn of 2025, the library registered with the Charity Commission as an independent CIO in readiness for complete financial independence from the Institute early in 2026. The library is run by local volunteers and opens three days a week. It provides a valuable resource for the parish. On Monday afternoons the library hosts the local “knit & natter” group.

The Preschool Playgroup opens every day during school term times for pre-school children. It also runs Breakfast and After-school clubs for older school-age children. The Playgroup is a non-profitmaking charity established for the benefit of the community.

#### **Events**

The institute has hosted a number of events over the last twelve months. The Library Winter Warmer was the first event of the year. The Playgroup’s Easter Egg Trail took place at Easter. Pop-up restaurants throughout the year proved popular with locals. A 3<sup>rd</sup> Environmental Awareness Day was well supported. The library plant sale/coffee morning was an important fund-raiser. Friday night is music night started as a quarterly event in the summer. The VI’s Autumn Fair proved to be a major fundraiser. St Mary’s church Christmas Fair in the main hall and supper room was a busy event. Finally the 7<sup>th</sup> Ceilidh at Christmas rounded off an eventful year.

#### **Financial Review**

The CIO’s total income for the year exceeded its payments by a total of £5,020 (2024 £5,432) and its total cash reserves increased to £41,529 at 31<sup>st</sup> December 2025.

The activities of the CIO are divided between that of the village hall and the library. Consequently, the hall surplus is £4,522 (2024 £4,157) and the library £498 (2024 £1,275). Cash reserves are £30,407 (2024 £25,885) and £11,122 (2024 £10,624) respectively.

#### **The Hall**

Income has decreased slightly by £168 and costs £533, an increase in surplus of £365 year on year.

The reduction in income is principally due to lower utility company refunds of £1,593 offset by higher room rental receipts and a one-off donation of £913 following the cessation of the local horticultural society.

The reduction in costs is due to a lower utility charge of £5,365 with a lower gas charge of £4,174 although this movement is distorted by the requirement to show any refunds in income and not offset against the relevant cost. The reduced utility charge is offset by an increase in the charge for caretakers’ wages of £4,417 with a £3,145 back-pay payment and a higher repairs and renewals charge of £1,255 reflecting the major costs of refurbishing the floor in the hall. Other reductions in costs total £840 and include a lower performing rights charge and no fund-raising costs.

#### **The Library**

Income increased by £203 but costs also increased by £980.

## **EMBSAY WITH EASTBY VILLAGE INSTITUTE CIO**

### **TRUSTEES REPORT *(continued)***

The increase in income is due to higher donation receipts offset by lower fund-raising income.

The increase in costs is primarily due to a higher rent charge of £552 with a £395 contribution to capital costs. Donations totalled £600 and includes £500 to Macaws library.

On the 2<sup>nd</sup> October a new CIO was registered with the Charities Commission in readiness to take over the running and administration of the library in 2026.

To conclude the Charity was able to increase its reserves in the year. A Finance sub-group was formed towards the end of the year with the task of examining all our costs and identify any efficiencies. Some cost reductions have already been implemented, and other initiatives are in discussion. The full year effects of these actions when implemented should further strengthen the Charity's financial position in 2026.

#### **Structure, Governance & Management**

The village institute is a Charitable Incorporated Organisation registered with the Charity Commission under the name of "Embsay with Eastby Village Institute CIO". It is constituted by means of a governing document.

The CIO is administered by 12 trustees. The trustees are responsible for the management and running of the village hall premises. The trustees also have the responsibility for ensuring that the hall remains a vibrant and viable community hub for the villages of Embsay and Eastby. All funds raised by the hiring out of the rooms in the Village Institute are used to meet the costs involved in running, maintaining and upgrading the building.

At the year end, 31<sup>st</sup> December 2025 the trustees were:

Mr P Creek	Chairman
Mr M Eaton	Vice Chairman
Mr P Hargreaves	Secretary
Mr R Culver	Treasurer

Ms J Stearn, Mrs S Watson, Mrs S Kirkbride, Ms A Cowgill, Ms M Greenwood, Mrs B Worthington, Mr R Middleton and Mrs C Kent.

#### **Reference and Administrative Details**

A part-time caretaker is employed by the CIO. She cleans and maintains the hall to a good standard. When the caretaker is on holiday trustees stand in for her at no cost to the CIO. Our thanks go to the caretaker and to the volunteers for maintaining the Institute's smart appearance.

Price increases have been kept to a minimum this year. However, during the year, it was realised that costs outside of our control were spiralling. With this in mind the finance sub-committee were tasked with instigating cost saving measures, many of which were implemented in the final quarter of the year. The effectiveness of these measures will, it is hoped, keep the CIO viable going forward.

### TRUSTEES REPORT *(continued)*

#### Policies

CIO policies are reviewed on a regular basis and, when deemed necessary, are amended or rewritten. New policies/procedures are introduced when necessary. During 2025 we established and implemented a "Security & Access" policy. New trustees are provided with the governing documents to help familiarise themselves with the CIO and their responsibilities as trustees.

#### Risk Management

One of the duties of trustees is to identify and review any risks to which the CIO is exposed. Control systems are established and appropriate measures are taken to mitigate such risks as arise.

#### Maintenance

The upkeep and improvement of the fabric of the building remains a high priority for the trustees. Where possible maintenance has been carried out by volunteers. We also rely on local trades people to help maintain the building. Testing of electrical equipment, fire extinguishers, fire alarm systems plus boiler servicing are all carried out. This year we have had the main hall floor refurbished. It is now maintained under a service contract. The water-heating systems for the kitchen and toilet facilities have been integrated resulting in a more cost-effective system. Blinds have been installed in the main hall to screen off the storage area for the tables and chairs resulting in a big improvement in the internal appearance of the hall.

#### Acknowledgements

Our thanks go to the regular users and tenants of the Village Institute. These groups and organisations finance the upkeep of the building. Particular thanks go to our Table Tennis club who subsidised the purchase of the hall blinds. Sadly, their chair, Marcia Watson, passed away in November. Marcia was a trustee of the CIO and a passionate advocate of the Institute who is already greatly missed. Thank you to everyone who has helped in the running of the CIO. We have a safe, warm, dry facility of which we can be proud.
