Prestige Support Foundation  
1<sup>st</sup> Period Trustees report

The Prestige Support foundation had a slow start but with some fund raising activities we were able to support a number of individuals in time of financial hardship.

We were also able to collaborate with a local organisation who supports those living on the streets and gives them a safe place to eat and wash.

As we look forward the future of the foundation looks uncertain due to the number of organisations already providing the services we are offering but we hope to collaborate more in the future.

This has definitely been a learning year and we hope to continue to support those in financial hardship in the months and years ahead.
