The Trustees, are pleased to present the annual report together with accounts for the period ended 31 March 2025

Structure, Governance & Management

The Charity was registered with the Charity Commission on the 10th November 2023 as a Chairitable incorporated Organisation- CIO. It adopted the CIO Foundation model Constitution. New trustees are appointed based on the procedures laid down in its constitution.

Members of the Board of Trustees

Members of the Board of Trustees, and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1.

Objectives & Activities

The charity is established with a primary objective:

- a. To advance the Christian Faith for the public benefit in accordance with the Statements of belief appearing in the schedule.

Public Benefit

The trustees declare that they have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their powers or duties.

These objectives are charitable and we operate mainly for the public good and benefits. The charity achieves its objectives by organising several church meetings within the year, and this is open to the public and its members to learn of the Christian faith. Also to be empowered to impact their local communities positively.

Achievements & Performance

The charity was able to work strategically and in partnership to organise events, conferences and meetings to promote its main object
Major events during the year are:

- * The Weekly Sunday and Mid-week services were held continuously throughout the year. Attendance including those attending for the first time was satisfactory. The feedback was excellent
- * The various extra prayer meetings and evangelism outreaches were also held during the year.

The Charity is family and community focused, as a result, most of our programmes are tailored towards the holistic development and support of the family unit. Programmes were held for the benefit of the community.

Financial Review

The Trustees have adopted the Receipt and payments method in preparing the accounts.

The principal funding sources for the charity is currently from individuals by way of Donations through Sunday and other church service activities.

The total receipt for the period under review was £21,294 and the total payments made was £14,455 with a net receipts / (Payments) of £6,838

During the year the charity received donations in the form of Tithes and Offerings from Church attendees.

Reserve and Investment Policy

It is the objective of the charity to ensure unrectricted funds are kept at a level which provides sufficient funds to cover management, administration and support costs on an on-going basis.

Risk Management

The Trustees have conducted a review of the major risks which the charity is exposed, in particular those to operations and finances of the charity. The Trustees review the risk regularly at their meetings and are satisfied that systems are in place to mitigate the Charity's exposure to major risks.

Appropriate Disclosure and Barring Service (DBS) checks, supported by relevant training and regularly reviewed policies are made for all those who work with children or other vulnerable groups within the Charity. Where appropriate, systems have been established to mitigate the risk the charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions.

Independent Examiner's Report to the Trustees of Centre of Hope International Ministries (UK)

I report on the accounts of the above Charity for the period ended 31 March 2025 set out on pages 5 to 7

Respective responsibilities of trustees and independent examiner

The Trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that independent examination is needed.

It is my responsibility to:

- * examine the accounts under section 145 of the 2011 Act
- * to follow the procedures laid down in the general Direction given by the Charity Commission (under section 145(5)(b) of the 2011 Act, and
- * to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements:

- To keep accounting records in accordance with section 130 of the 2011 Act; and
- To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or

2. To which in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
