## 2024 Treasurers Report     date 4<sup>th</sup> Sept 2024

Coral Care came into being on 16<sup>th</sup> Nov 2023 with an opening balance of £1340 . We received a generous donation of £130 from BlakTrax Games Ltd on the 23<sup>rd</sup> Dec. bringing our funds up to £1470. Following our Trustees meeting on 10 th Jan it was decided by the trustees to donate £150 to the Nepal Charity KASIN (Kids at School in Nepal) and £150 to KIDASHA (kids Hope|) Sadly our contact in Nepal, Mr Ganesh Prasad Dahal, chairman of the NHCEP (Nepals Helpless Childrens Education Program) has been admitted to hospital for a brain tumour operation so I am in contact with his brother Expansion Dahal who I have also met and who also works for NHCEP. We gave NHCEP £100

After donating our funds were £1070.

We received a donation of £20 on 31/1 /24 and on 08/04/24 we sent a donation, following an appeal from KIDASHA, for £40. Our funds were then £1050

On 01/06/24 Jan Parry gave Coral Care £290 from sales on Vinted of Corals clothes which brought our funds back up to £1340 which is the same amount we started the charity with on 16/11/23
