Apostles of Jesus Missionaries Support UK Reg. Charity No 1205905

I welcome you all to this meeting which is the First to be held since our charity was registered by the Charity Commission. We are a new Charity; this is the first time for us to hold a General meeting. Allow me to call this an Annual General Meeting not looking backward but forward for the reason that we shall hold this meeting every year in the future. I thank you for pioneering this venture.

The Charity was started and registered in 2024. Its objective is to advance the Roman Catholic faith for public benefit in the UK and overseas. The Charity serves the general public with particular support to members of the public who want to be trained for catholic missionary priesthood. Thus the Charity aims to provide:

1. Grants to religious establishments that provide seminary formation to individuals above 18years of age.
2. Grants to support Roman Catholic Missionaries priests completing their missionary or evangelism placement

The geographical areas where the Charity intends to give support in form of grants are Sudan, Kenya, Uganda, Tanzania, Ethiopia, , the Democratic Republic of Congo, England and Wales. The Charity aims to support particularly the Missionary Institute of the Apostles of Jesus, which has the centre where candidates to missionary life are trained and formed. The seminarians we want to support ought to be aiming at becoming missionaries, thus the mentioned countries are the catchment areas where funds raised by the Charity will be spent.

At the time we are holding this first AGM, the students training for missionary work with the Apostles of Jesus are as follows.

Students in Theology are 31 in number.

Theology Year 4 are three

Theology in Year 3 None

Theology in Year 2 are Eighteen.

Theology in Year One are Eight.

Seminarians on Placement are Two

There are Seventy (70) students taking BA degree in philosophy. All these are at Langata Seminary Nairobi -Kenya. Thirty-Eight seminarians have completed their degree in Philosophy and are undergoing two years of intensive religious formation commonly known as the Novitiate.

On behalf of the trustees, I wish to thank all our donors for their generosity that has enabled the Charity to meet the needs of our beneficiaries.

B. Financial activity during the accounting period 13th October 2023 to 31st March 2025

(a) Charitable income

During this period, the income of the charity was formed of the following:

1. Charitable donations and other contributions amounting to £18,907.

(b) Expenditure

During this period, the expenditure of the charity was formed of the following:

1. Bank charges in the sum of £76.

(c) Net balance amounts therefore to **£18,831** as at 31st March 2025.

(d) Other non-charitable transactions

On 20th August, 20th September, 21st October, 20th November and 20th December 2024, and 20th January 2025, the Diocese of Wrexham paid a sum of £8,771 into the charity account in error on behalf of the Welsh missionary priests. On 24th January 2025, the Diocese of Birmingham transferred monies held as accumulated salary payments for the English missionary priests in the sum of £69,463. The trustees were alerted to this and the fact that these sums were not charitable monies. Upon receipt of a request from the bursar for the Apostles of Jesus, the trustees agreed to transfer both these sums as follows:

1. £50,000 transferred to the Apostles of Jesus seminary in Nairobi, Uganda;
and

2. £19,463 to the bursar for the Apostles of Jesus based at St Osburg's parish, Coventry.

Totalling £69,463, these transactions took place between 29th August and 26th September 2025 and represent the monies received from the Diocese of Birmingham.

The monies received from the Wrexham diocese were identified in January 2026 and, following clarification, it was agreed that these sums be transferred also to the bursar at St Osburg's, Coventry. The total salary monies transferred is accordingly £78,235. Standing orders from the Wrexham Diocese have been cancelled to avoid future erroneous payments.
